## ARTS & ENTERTAINMENT

**NEW! A1** **CAJA** – New Agency Website. We need someone to help us redo our website. Nothing fancy, just needs to be updated, mobile optimized, and easy for us to edit and maintain ourselves.

**A2** **CASA** – Communication through CASA CARES. Select one of several clients to call, write or visit. Let them know we care and remember them. Many have no other contact with the outside world. You can adopt one or more clients for the year and send cards to them on special occasions and their birthdays. Donations of cards and postage welcomed. We provide directions and contact information.

**A3** **CASA** – Make homemade cookies that will be added to food boxes and delivered to the home of CASA client.

**A4** **Hospice of Marshall County** – Music is wonderful therapy. If you sing, play an instrument, or have a small group, consider giving a concert (35-45 min.) for a patient/family in their home or at Shepherd's Cove. Time may be arranged through Hospice. Hospice will provide transportation and staff will accompany you. No lunch provided.

**A5** **Hospice of Marshall County** – Make some cheery craft items that are delivered monthly to patients by patient care volunteers as “thinking of you” or encouragement gifts. You can give 2-3 hours starting after the breakfast. You will be responsible for providing your own craft ideas and supplies.

**A6** **Hospice of Marshall County** – Photography! Make memories for a Hospice patient and their family by taking family photos and putting together an album. Hospice will help with transportation and arrange a time with families. This will take about 3 hours and will start after the breakfast. No lunch provided.

**A7** **Meals on Wheels** – Entertain or sing-a-long at your choice of senior centers in Albertville, Arab, Boaz, Guntersville, Douglas, Grant or Martling. Starting after the Day of Caring breakfast.

**A8** **RSVP** – When you get mad – don’t hit – throw a fit! Help kids learn to manage their anger by making funky little critters called “Fits”. This cute craft creation is given to second graders to reinforce the anger management skills they learn when RSVP presents their anger management program in local schools. Your choice: RSVP will furnish materials or your group can supply colorful yarn. Make them at your place or ours.

Gift cards are used to purchase supplies when donations to the shelter are low.

**NEW! H26 Marshall County Coalition Against Domestic Violence** – We need a hot water heater and someone to install it in our office.

**H27 Marshall County Foster & Adoptive Parents Association** – Toys for Tiny Ones. We would like to be able to provide every child coming into care with a new, age-appropriate toy. Just knowing someone cares can help make the transition into foster care much easier. Sometimes the absolute best way to say you care to a child is by giving him/her a toy. A toy can be a friend; a toy can be a safe haven with which to get their mind off of the trial currently in their life. A toy can be therapy. We need toys for boys and girls of all ages. Coloring books with crayons, dolls, toy cars, games ... whatever works. Just make sure they are age appropriate and, where possible, teach good habits or increase motor skills, etc.

**H28 Marshall County Foster & Adoptive Parents Association** – Entry Tickets to Local Attractions. Provide Marshall County DHR with some entry tickets to local movies, bowling, skating and other fund attractions to be distributed to foster families and children. These items could be a reward for improved behavior at school or stepping out to try something new. These items could also be used as door prizes when the teens and foster families meet for their training meetings.

**H29 Marshall County Foster & Adoptive Parents Association** – Cards for Emergencies and Rewards. Provide Marshall County DHR with some store gift cards that could be used to purchase emergency items when children come into care in the middle of the night. Children may need diapers, formula or other over-the-counter medicine before they are taken to a foster home for the night. We could also use some of these gift cards as a reward to a teen who accomplishes a significant achievement or just makes improvement in their school work, extra-curricular achievement or is getting ready to set up an apartment as they age out of care. We have countless needs and gift cards from any of the stores in the county would be appreciated. We would prefer to receive gift cards in various amounts starting at \$10.00 so they could be shared with more families.

**H30 Marshall County Foster & Adoptive Parents Association** – Kits for Kids. Provide Marshall County DHR with tote bags stuffed with personal grooming needs for children of all ages who might come into foster care. Children are picked up by social workers at all hours of the day and night and it would be great to have a tote bag ready to go to a foster home with items that every child will need. Items can include: shampoo, conditioner, other hair products, baby wipes and lotion, hair brushes, combs, ponytail holders, deodorant, shaving supplies and other items. Anything you want to include would be greatly appreciated.

**H31 Marshall County Foster & Adoptive Parents Association** – Shoes Make Me Smile. Children coming into foster care come with literally the clothes on their backs; typically tattered and worn. As a part of our care package, and when other needs arise, we would like to present the child/children with new shoes. New shoes just make you feel good sometimes...new shoes just make you smile sometimes. If they do that for us, imagine what it will do for a child coming into foster care. A child scared about his/her present condition; a child scared about his/her future. Help us alleviate some of that fear and concern. Help us create a smile. We need shoes of all kinds and sizes, for boys and girls. We would love for them to be new shoes in a box, if possible.

**H32 Marshall County Foster & Adoptive Parents Association** – Car Seat Drive. We need car seats. We need seats for infants, seats for babies and toddlers, and booster seats for older children. Typically, foster parents have seats that can be used when children are in their care but there are times when having seats available would be a tremendous gift. We would also like to send children home with a safe car seat, if possible. Oftentimes, parents can't afford the seats and limited means of acquiring them leads to unsafe

situations with the wrong seat, with an expired seat, or even no seat. We would prefer new seats but will accept gently-used ones as well as long as the expiration date is valid.

**H33 Marshall County Guardianship Program** – Toiletries and Cleaning Supplies Drive. We are in need of personal hygiene and cleaning supplies that food stamps do not cover. Personal hygiene products: shampoo, conditioner, toothpaste, toothbrushes, soap, floss, deodorant, shaving supplies, toilet paper, hairbrushes, nail clippers, etc. Cleaning supplies needed include: paper towels, all-purpose cleaning products, cleaning products for windows, countertops, bathrooms, dishwasher detergent, dish soap, laundry detergent, etc.

**H34 Marshall County Guardianship Program** – Gas Cards/Vouchers. We are in need of gas cards or vouchers to assist our guardians with long-distance travel expenses.

**H35 Marshall County Home Place** – Supplies for Homeless Clients. Because food stamps only pay for food, please assist the homeless families residing at Home Place by providing food storage items such as foil, plastic wrap, quart/gallon freezer bags and cleaning supplies such as dish detergent, liquid washing machine detergent, bleach, dryer sheets, glass cleaner and disinfecting household cleaner.

**H36 Marshall County Homeless Ministries (Room in the Inn)** – Operation Clean Laundry. Collect laundry supplies for Room in the Inn and The Neighborhood Inn such as laundry pods, dryer sheets and stain removal products.

**H37 RSVP** - Cartridges. You've got them and we need them. Collect used computer printer and plain paper fax ink cartridges. Our senior computer lab recycles them. This can be an on-going project.

**H38 RSVP** – Reading Buddies Book Drive. RSVP Reading Buddies give their students a new book during the Christmas season to encourage reading while school is out. This requires several hundred books. Please help us by purchasing a new picture book suitable for K-2<sup>nd</sup> Graders. Reading Buddies volunteer to work one-on-one once a week with children that are below grade level at elementary schools in the county to help them improve their reading skills.

**H39 The Salvation Army** – Food Drive. Collect non-perishable food items. We also need paper products, diapers, and cleaning supplies.

**H40 American Red Cross** – Smoke Detector Installation. We need a team to go into low-income, older homes and install smoke detectors. The team will work with the occupants to develop a fire plan. The American Red Cross will provide the smoke detectors, batteries and plans. The smoke detectors are easy to install and save lives!

**H41 Marshall County Christian Services** – Second Chance Thrift Store. Work in the Albertville thrift store organizing merchandise and donations.

# PEOPLE PROJECTS

**NEW! P1** **Family Services of North Alabama** – Spread the Word. Family Services of North Alabama has several programs, the largest being our Sexual Assault Support Services Program, and we are trying to get out the word across the county that our services to help survivors are available 24/7, are available locally, and are completely free. We are hoping to find several businesses that would allow us to display brochures, pamphlets, and/or a poster with a list of services we provide and how to get in touch with us to help us reach potential survivors of sexual assault that could benefit from advocacy, counseling, and wrap-around support services.

**P2** **Hospice of Marshall County** – Celebrate Life Party! Sponsor a party for patients (some may need transportation to the event). This project requires prior planning (at least 10 business days prior to party date). The party may be held before or after D.O.C. Party should last about 2 to 4 hours in an afternoon and can be held at HMC.

**P3** **Hospice of Marshall County** – Enjoy cooking? Give caregivers a break by preparing and serving a homemade meal for a homebound patient or family. Please prepare food prior to arrival and deliver in disposable containers. Time and dates are open.

**P4** **Hospice of Marshall County** – Make a Last Wish Come True. Often times it is the desired wish of a dying patient to live out a final request such as: view the beach for the first time. Play with their grandchildren at an amusement park. Picnic with small children. Purchase a loved one a legacy item for example: a keepsake locket. Last anniversary celebration. Birthday party celebration. Fishing trip. Cruise, etc. The requests are always as unique as the patients we serve and can occur at any time of the year. If chosen, the volunteer(s) will be notified when a wish is known.

**P5** **Hospice of Marshall County** – Lights of Love. This event will be held Tuesday, December 6, 2016 at HMC. Adopt the fellowship time prior to the event. Help HMC staff plan and organize, bake cookies, serve cookies and punch or hot chocolate, direct traffic, participate in Christmas caroling prior to the event, then feel free to participate!

**P6** **Hospice of Marshall County** – Camp HOPE (Activity Project). This is a great project for a group. Camp HOPE is a one-day grief camp serving children and families in grief. We are in need of arts and crafts supplies for the attendees and then help with the set-up. Or, the group could purchase butterflies for the release ceremony and join attendees and staff at the closing ceremony.

**P7** **Hospice of Marshall County** – Camp HOPE (Sponsor a meal and Food Preparation). This is also a great group project. Camp HOPE is a one-day grief camp serving children and families in grief. We need food purchased/donated for a lunch meal and help with preparation of the food (i.e. individuals to grill food, if needed.)

**NEW! P8** **Hospice of Marshall County** – Work in thrift shoppe. Lend a hand by accepting donations, sorting and hanging clothes. Can work after the DOC breakfast or any time during the year.

Camp HOPE is a one-day grief camp serving children and families in grief. Volunteer opportunities are available in the following areas: day of event set-up, registration, canoeing, ropes course, yoga, meal preparation, arts & crafts and closing ceremony. Will be conducted in the fall (probably Oct. or Nov.)

**P10** **Marshall County Arc** – Cookout and lunch with the clients of the Arc.

**P11** **Marshall County Child Development Center (Guntersville)** – Child's Play 12 months to 5 yrs. Spend a few hours giving special attention to a baby or toddler. Play with blocks, read, work puzzles, color, sing, rock and have fun with the kids.

**P12 Marshall County Child Development Center (Boaz)** – What's cooking? Have a fun day of activities and a cookout with kids 18 mo. to 5 years.

**P13 Marshall County Foster & Adoptive Parents Association** – Adoption Celebration. November is National Adoption Month and every year the Marshall County Department of Human Resources hosts a celebration for families that have been created through adoption from foster care in the past year. We need a sponsor to provide cake, drinks and other snacks, if desired, and paper products to host the event. We would also request helium balloons to be released at the celebration. The event is generally held toward the middle of November and volunteers could also come to the office to set up and attend the event, if desired (a confidentiality agreement would need to be completed). The DHR staff will handle the guest list for the celebration. A gift certificate could be provided to purchase supplies, if desired.

**P14 Marshall County Homeless Ministries (Room in the Inn)** – Volunteer Recruitment. We need volunteers for the season which lasts from mid-November through April 1<sup>st</sup>. Volunteers help with the day-program with instruction, filling out paperwork and transporting our “neighbors”. \*We also need volunteers to help sort clothes at the Old Jail Storage as well as volunteers for legal, financial and budgeting information, etc.\* These activities could take place on the actual Day of Caring on September 13<sup>th</sup>.

**P15 Meals on Wheels** – Enjoy meeting and greeting as you serve meals to participants in our senior centers. Just visit or join them in a game or activity. Singing waiters SHOULD apply!
