H19 Marshall County Christian Services – Second Chance Thrift Store. Work in the Albertville thrift store organizing merchandise and donations.

H20 Marshall County Foster & Adoptive Parents Association – Toys for Tiny Ones. We would like to be able to provide every child coming into care with a new, age-appropriate toy. Just knowing someone cares can help make the transition into foster care much easier. Sometimes the absolute best way to say you care to a child is by giving him/her a toy. A toy can be a friend; a toy can be a safe haven with which to get their mind off of the trial currently in their life. A toy can be therapy. We need toys for boys and girls of all ages. Coloring books with crayons, dolls, toy cars, games ... whatever works. Just make sure they are age appropriate and, where possible, teach good habits or increase motor skills, etc.

H21 Marshall County Foster & Adoptive Parents Association – Entry Tickets to Local Attractions. Provide Marshall County DHR with some entry tickets to local movies, bowling, skating and other fund attractions to be distributed to foster families and children. These items could be a reward for improved behavior at school or stepping out to try something new. These items could also be used as door prizes when the teens and foster families meet for their training meetings.

H22 Marshall County Foster & Adoptive Parents Association – Cards for Emergencies and Rewards. Provide Marshall County DHR with some store gift cards that could be used to purchase emergency items when children come into care in the middle of the night. Children may need diapers, formula or other over-the-counter medicine before they are taken to a foster home for the night. We could also use some of

these gift cards as a reward to a teen who accomplishes a significant achievement or just makes improvement in their school work, extra-curricular achievement or is getting ready to set up an apartment as they age out of care. We have countless needs and gift cards from any of the stores in the county would be appreciated. We would prefer to receive gift cards in various amounts starting at \$10.00 so they could be shared with more families.

H23 Marshall County Foster & Adoptive Parents Association – Kits for Kids. Provide Marshall County DHR with tote bags stuffed with personal grooming needs for children of all ages who might come into foster care. Children are picked up by social workers at all hours of the day and night and it would be great to have a tote bag ready to go to a foster home with items that every child will need. Items can include: shampoo, conditioner, other hair products, baby wipes and lotion, hair brushes, combs, ponytail holders, deodorant, shaving supplies and other items. Anything you want to include would be greatly appreciated.

H24 Marshall County Foster & Adoptive Parents Association – Shoes Make Me Smile. Children coming into foster care come with literally the clothes on their backs; typically tattered and worn. As a part of our care package, and when other needs arise, we would like to present the child/children with new shoes. New shoes just make you feel good sometimes...new shoes just make you smile sometimes. If they do that for us, imagine what it will do for a child coming into foster care. A child scared about his/her present condition; a child scared about his/her future. Help us alleviate some of that fear and concern. Help us create a smile. We need shoes of all kinds and sizes, for boys and girls. We would love for them to be new shoes in a box, if possible.

H25 Marshall County Foster & Adoptive Parents Association – Car Seat Drive. We need car seats. We need seats for infants, seats for babies and toddlers, and booster seats for older children. Typically, foster parents have seats that can be used when children are in their care but there are times when having seats available would be a tremendous gift. We would also like to send children home with a safe car seat, if possible. Oftentimes, parents can't afford the seats and limited means of acquiring them leads to unsafe situations with the wrong seat, with an expired seat, or even no seat. We would prefer new seats but will accept gently-used ones as well as long as the expiration date is valid.

NEW! H26 Marshall County Guardianship Program – Personal Hygiene Items/Toiletry Drives. We need personal hygiene and toiletry items that food stamps do not cover.

H27 Marshall County Home Place – Supplies for Home Place Residents. Because food stamps only pay for food, please assist the homeless families residing at Home Place by providing food storage items such as foil, plastic wrap, quart/gallon freezer bags and cleaning supplies such as dish detergent, liquid washing machine detergent, bleach, dryer sheets, glass cleaner and disinfecting household cleaner.

NEW! H28 Marshall County Homeless Ministries (Room in the Inn) – No Job is Complete Until the Paperwork is Done. Collect paper products to be used at the Neighborhood Inn and for the Room In The Inn Season. Toilet paper, paper towels, copy paper, 45-gallon trash bags, Murphy's Oil soap for hardwood floors.

H29 Marshall County Homeless Ministries (Room in the Inn) – Operation Clean Laundry. Collect laundry pods and dryer sheets for use at the Neighborhood Inn and Room In the In Season.

H30 RSVP - Cartridges. You've got them and we need them. Collect used computer printer and plain paper fax ink cartridges. Our senior computer lab recycles them. This can be an on-going project.

H31 RSVP – Reading Buddies Book Drive. RSVP Reading Buddies give their students a new book during the Christmas season to encourage reading while school is out. This requires several hundred books. Please help us by purchasing a new picture book suitable for K-2nd Graders. Reading Buddies volunteer to work one-on-one once a week with children that are below grade level at elementary schools in the county to help them improve their reading skills.

H32 Shepherd's Cove Hospice – Office supply drive! We run a very busy office. Help us with operating expenses by collecting office supplies such as paper clips, pens, copy paper, post it notes, note pads, highlighters, staples, 3-ring binders (1" to 3") etc. This can be an on-going project.

H33 Shepherd's Cove Hospice – TLC toiletries drive. We need full-size toiletries (deodorant, shampoo and conditioner, shaving supplies, socks (for men and women), washcloths, lotion, tissues, tooth brushes and tooth paste) to put into "Get Acquainted/TLC" bags for homecare patients. This can be an on-going project.

H34 Shepherd's Cove Hospice – SCH provides Thanksgiving and Christmas baskets to needy patients. Help us by collecting non-perishable food items. These collections can be done closer to the actual holidays if preferred.

H35 Shepherd's Cove Hospice - Senior Support Drive. Shepherd's Cove Hospice sponsors events at Christmas time for area senior citizens. Examples of much needed donations include Dollar Tree items such as kitchen towels, socks, ball caps, yard decorations, dish detergent, hand soap, lotion, paper products, laundry detergent, candy, cookies, trinkets, stationery, cards, framed prints, gardening tools, pens, pill boxes, sewing kits, manicure kits, etc. In order to accommodate the scheduled events, these items would need to be collected prior to Thanksgiving. (Christmas themed gifts are also appreciated, i.e. Santa, nativity scene, Rudolf, snowflakes or holly ornaments, towels, trinkets, etc.)

H36 Shepherd's Cove Hospice – Sheet/Gown Collection Drive. We are in need of bed sheets for use on hospital beds; twin extra-long size with deep pockets. We also need gowns for our female home-care patients; stretchy material (similar to t-shirt material) and adult wipes and incontinence pads.

PEOPLE PROJECTS

P1 Family Services of North Alabama – Spread the Word. Family Services of North Alabama has several programs, the largest being our Sexual Assault Support Services Program, and we are trying to get out the word across the county that our services to help survivors are available 24/7, are available locally, and are completely free. We are hoping to find several businesses that would allow us to display brochures, pamphlets, and/or a poster with a list of services we provide and how to get in touch with us to help us reach potential survivors of sexual assault that could benefit from advocacy, counseling, and wrap-around support services.

P2 Marshall County Arc – Cookout and Lunch with the Clients of the Arc.

P3 Marshall County Child Development Center (Boaz) – What's cooking? Have a fun day of activities and a cookout with kids 18 mo. to 5 years.

P4 Marshall County Child Development Center (Guntersville) – Spend time in the Classroom. Play with blocks, read, work puzzles, color, sing, rock and have fun with the kids. One visitor per room; 8 classes total.

P5 Marshall County Foster & Adoptive Parents Association – Adoption Celebration. November is National Adoption Month and every year the Marshall County Department of Human Resources hosts a celebration for families that have been created through adoption from foster care in the past year. We need a sponsor to provide cake, drinks and other snacks, if desired, and paper products to host the event. We would also request helium balloons to be released at the celebration. The event is generally held toward the middle of November and volunteers could also come to the office to set up and attend the event, if desired (a confidentiality agreement would need to be completed). The DHR staff will handle the guest list for the celebration. A gift certificate could be provided to purchase supplies, if desired.

P6 Meals on Wheels – Meet & Greet & Serve. Help serve meals to those at the senior centers or join them in an activity such as games, cards, exercise, singing, square dancing, etc. Choose a location! There are 7 participating centers: Albertville, Arab, Boaz, Guntersville, Douglas, Martling and Grant. Volunteers will start at 9:30 a.m. and continue until noon.

P7 Meals on Wheels – Pack & Deliver Meals. Bring a smile to someone's day and fill a tremendous need by helping pack and deliver meals to the homebound. Select a senior center to work with (Albertville, Arab, Boaz, Guntersville, Douglas, Martling or Grant). Delivery will start at 9:30 a.m. and will take about 3 hours.

P8 RSVP – One-Day Reading Buddies. Read to your favorite age group (K-2) at participating school, you choose: Albertville Primary, Arab Primary, Brindlee Mtn. Primary, Brindlee Mtn. Elementary (Grassy), Claysville, DAR, Guntersville Elementary, Sloman Primary, Asbury Primary and Boaz Elementary. Time may be arranged.

P9 Shepherd's Cove Hospice – Celebrate Life Party! Sponsor a party for patients (some may need transportation to the event). This project requires prior planning (at least 10 business days prior to party date). The party may be held before or after D.O.C. Party should last about 2 to 4 hours in an afternoon and can be held at SCH.

P10 Shepherd's Cove Hospice – Enjoy cooking? Give caregivers a break by preparing and serving a homemade meal for a homebound patient or family. Please prepare food prior to arrival and deliver in disposable containers. Time and dates are open.

P11 Shepherd's Cove Hospice – Make a Last Wish Come True. Often times it is the desired wish of a dying patient to live out a final request such as: view the beach for the first time. Play with their grandchildren at an amusement park. Picnic with small children. Purchase a loved one a legacy item for

example: a keepsake locket. Last anniversary celebration. Birthday party celebration. Fishing trip. Cruise, etc. The requests are always as unique as the patients we serve and can occur at any time of the year. If chosen, the volunteer(s) will be notified when a wish is known.

P12 Shepherd's Cove Hospice – Camp HOPE (Activity Project). This is a great project for a group. Camp HOPE is a one-day grief camp serving children and families in grief. We are in need of arts and crafts supplies for the attendees and then help with the set-up. Or, the group could purchase butterflies for the release ceremony and join attendees and staff at the closing ceremony.

P13 Shepherd's Cove Hospice – Camp HOPE (Sponsor a meal and Food Preparation). This is also a great group project. Camp HOPE is a one-day grief camp serving children and families in grief. We need food purchased/donated for a lunch meal and help with preparation of the food (i.e. individuals to grill food, if needed.)

P14 Shepherd's Cove Hospice – Work in SCH Thrift Shoppe. Lend a hand by accepting donations, sorting and hanging clothes. Can work after the DOC breakfast or any time during the year.
