SONGS McCARTHY DIDN'T WANT YOU TO HEAR

In the post-World War II years, thousands of famous American singers and songwriters were denied the opportunity to make artistic contributions, accused by Senator Joseph McCarthy's Committee on Un-American Activities to be communists or sympathizers. They were silenced.

Now you can hear Chicago's finest cabaret talent perform a concert of songs written or made famous by blacklisted artists such as Leonard Bernstein, Yip Harburg, Lena Horne, Burl Ives, Zero Mostel, Paul Robeson, Pete Seeger, and *more!*
