There are absolutely NO EXCEPTIONS. The out-of-town vendor Temporary Food Service Application fee is \$53. There is no fee for Fairfield vendors to obtain a temporary food license. Submit Temporary Food Service Applications to the Health Department by October 3rd. An inspector from the Health Department will be on hand the day of the event and will not allow any noncomplying vendors to open for business. No refunds will be given for failure to allow enough time for Health Department to approve applications or for failure to meet Health Inspector's standards on the day of the event.**
- Vendor must provide proof of insurance for general liability with liability limits of \$1,000,000 per occurrence and \$1,000,000 in aggregate. The Town of Fairfield shall be listed as the Certificate Holder. The Town of Fairfield and The Fairfield Chamber of Commerce shall be named as added insureds. Vendor can contact their insurance agent to obtain this document.
- The event application fee is **\$150 for food trucks and tents (\$125 Chamber Members) for the one day event.** Checks can be made payable to The Fairfield Chamber of Commerce or you can supply your credit card information on page 1. Vendors retain 100% of sales proceeds. All food vendors, not in a truck, must provide a tent per Health Department regulations.

Only approved food items as identified in this application may be sold. The sale of other items, without the prior written consent of the Chamber, is strictly prohibited. The Chamber reserves the right to make compliance decisions concerning quality of food, price of food, signage, and overall appearance of the booth. We reserve the right to limit the number of vendors selling similar food items, but do not guarantee exclusivity to any vendor.
