Is Your Life Touched by FTD?

We invite you to join us for informal gathering of local families, friends, caregivers, persons diagnosed with frontotemporal degeneration and community professionals.

- **Connect** with others in the area whose lives have been affected by FTD.
- **Learn** more about AFTD events, programs and resources.
- **Discover** how you can get involved.
- **Share** time with others in your community.

Thursday, July 27, 2017
7:00 p.m. to 9:00 p.m.

Caille Branch Library
4100 Carnegie Cir.
Sioux Falls, SD 57106

We look forward to seeing you soon!

An RSVP by July 24th would be appreciated. To RSVP, or for any questions, please contact AFTD Volunteer Mike Dircksen at med@sio.midco.net.

WHAT IS FRONTOTEMPORAL DEGENERATION?

Frontotemporal degeneration is a rare brain disease that strikes people in the prime of their life, gradually destroying their personality, ability to speak, make sound decisions, move and/or behave within social norms. Clinical diagnoses may include: behavioral variant FTD, primary progressive aphasia, progressive supranuclear palsy, corticobasal degeneration, and FTD with motor neuron disease.

WHAT IS THE ASSOCIATION FOR FRONTOTEMPORAL DEGENERATION?

The Association for Frontotemporal Degeneration (AFTD) is a non-profit organization whose mission is to improve the quality of life of people affected by FTD and drive research to a cure. www.theaftd.org
