

I began my service as your District Director late in 2014 when I was elected by the district's Association Presidents to fill an unexpired term. I was subsequently elected to serve a full term for the current NAP biennium. Over the course of that time, it has been my privilege to attend your association meetings, and get to know increasing numbers of parliamentarians in the Southern states. NAP is alive and well in our area, and despite some decline due to attrition, our numbers are quite steady, and we should all be proud of the work our associations are doing to attain NAP's goal of effective meeting management.

This newsletter includes a call to the next District Three Conference, which will be held in conjunction with the Georgia State Association of Parliamentarian's Annual Meeting on February 25, 2017 in Atlanta. I hope you will consider attending. There will be a variety of workshops, as well as the opportunity to network with other parliamentarians. Atlanta is about as central a location as is possible in our district, and of course there are always lots of things to see and do there!

The major item of business at our brief district business meeting will be the election of our District Director. Although I am technically eligible to serve an additional term, my work responsibilities have evolved and I am no longer able to dedicate to the District the number of weekends necessary to attend annual association meetings – which nearly all occur on Saturdays.

And so I want to encourage all Registered and Professional Registered members in the District to consider not only attending the conference, but also putting your names forward for election as our next Director. The primary duties are service as a member of the national Membership Extension and Retention Committee (MERC) – which meets electronically – and attending the various association annual meetings. Also, two of the eight District Directors are elected to serve on the NAP Board of Directors from among those willing to do so. If you want additional information, feel free to contact me.

If you have not already done so, please renew your NAP membership at your earliest convenience. Our organization is important, and its primary source of income is annual dues. In short, NAP needs you! And that is in addition to everything you gain by continuing to be an NAP member, including the many opportunities for learning, serving, and promoting parliamentary procedure.

Thank you for allowing me to serve as your Director. I look forward to seeing some of you in Atlanta. ▲

District Director Dr. Greg Goodwiller, PRP

## MISSISSIPPI

The Mississippi Association of Parliamentarians, which became a chartered Association in 2009, recently formed its first Unit, which was officially chartered in October!

The Mississippi Alpha Electronic Unit meets entirely by means of the same Adobe Connect technology that the National Association of Parliamentarians utilizes for Board and committee meetings, as well as webinars and online recertification modules.

The unit meets on the first Thursday evening of each month at 7:00 p.m. Central Time (8:00 p.m. Eastern Time). Visitors are always welcome, but for the modest fee of \$7 per year, any NAP member can become an Affiliate Member of the Mississippi Association, and become eligible for full membership in the unit (the unit itself has no dues).

You are welcome to check out the unit's meeting room, where its bylaws, most recent unit meetings, and special rules of order in order for meeting electronically are all available for downloading.

Educational programs at meetings are currently general interest topics. But in the months ahead, the unit envisions dividing into several "breakout groups" (an Adobe Connect feature) so that some can focus on the NAP Membership Exam, others on the Registration Exam, and others continuing topics of a general interest.

The meeting room, which can be entered at any time, is: <https://nap.adobeconnect.com/alpha-unit>
