Music

by: Samantha Whitley & Joyce Ting

Kindergarten - Kindergarteners have been diligently working on their ability to identify pitch (high and low notes) and well as tempo (fast and slow). These aspects of music have helped us greatly in learning, rehearsing, and perfecting our Winter Concert material and feel prepared for our performances.

1st - First graders have been diligently working on their ability to identify pitch (high and low notes) and well as tempo (fast and slow). These aspects of music have helped us greatly in learning, rehearsing, and perfecting our Winter Concert material and feel prepared for our performances.

2nd - The second graders have been diligently working on their
