

Kids Against Hunger®

Feeding families around the world...and around the corner.

Student Fundraiser and Food Packing Event

All Valley Christian elementary students will sample the vegan, gluten-free (soy based) nutritional meals and watch a video on how these life-saving meals help children around the world. Students from K – 5th grade will assemble the meal kits. Boxed meals are distributed to humanitarian organizations worldwide. Read more about us at <http://KAHBay.Area.org>

Valley Christian Schools Packing Event: 1/20/17

Each meal costs only .25 cents, so \$25 will feed 100 children.

Please bring your donations (Checks payable to Kids Against Hunger) to your Bible teacher by Thursday, 1/19 to the donation box in your classroom.

Let's see how many meals Valley Christian can assemble!
