# Set your Center Apart as a Premier Accredited Center (PAC)!

PATH Intl. values all center members. The commitment for competent instruction and a safe and fulfilling experience for participants are characterized by all PATH Intl. center members.

Premier accredited centers (PACs) are distinctive within the PATH Intl. center community. Having successfully completed a voluntary, peer review process assessing the center's application of PATH Intl.'s accreditation standards, PACs have distinguished themselves as exceptional centers, no matter their size, audience or geography. They have visibly demonstrated the accreditation requirements for administrative, facility, program and applicable specialty standards and are granted the premier accredited center distinction for five years.

## What does PAC status mean for your center?

**Build strong relationships** with current and prospective donors, volunteers and participants. The quality assurance that goes along with the industry standards and PAC process provides credibility to donors and a source of pride for your staff, participants, volunteers and other constituents.

The recognition that accompanies PAC status is promoted prominently in many of PATH Intl.'s publications and other venues. PACs receive preference in referrals PATH Intl. receives from print and broadcast media. A distinguishing logo is available to PATH Intl.'s PACs. The premier status is prominently highlighted on PATH Intl.'s website and in other directories and lists of PATH Intl. center members. A press release is completed and provided to the local media of a newly accredited PAC.

The regular assessment of PATH Intl.'s standards by the Program and Standards Oversight Committee, the Accreditation Sub-Committee and the PATH Intl. Board of Trustees ensures that the standards required of a PAC are current, legal, thoroughly researched and field-tested, providing a valuable resource to centers, their staff and volunteers, and ultimately the participants in equine assisted activities and therapies delivered by PATH Intl.'s Premier Accredited Center members.
