## Important Ministry Is Happening Here

We all aspire to earn all we can and save all we can, why not also aspire to give all we can? God has created a world capable of providing what we need, now it's our responsibility to be good stewards of it. As our season of Stewardship celebration continues to deliver messages of inspiration, we must all look inside our hearts and prayerfully reassess our giving goals. God is calling us in our hearts to step outside of our comfort zone of giving so that we may accomplish great things for His glory.

Our church leadership teams have been working for months and have assembled a faithful spending plan for 2017-2018. This plan will challenge us to exceed last year's annual giving by \$43,000, or about a 7% increase. This inspiring challenge is well within the scope of Broadway's generosity. Ministry team chairs have compiled and submitted yearly budget requests. Each chair has also submitted their "wish list" items as well. An increase in giving would make requests and "wish list" items possible and would also support expanding programs in our ministry areas. Here are just some of the accomplishments we could achieve for a few of our ministry areas:

### Children's Ministries:

- New and updated Sunday school curriculum.
- Expanding 3-5th grade Vacation Bible School programming to include field trips and more service opportunities.
- All God's Children ministry support events, expanding our ministry to other congregations and ministries in our community and beyond.
- Development of a Junior Youth Fellowship small group for children in grades 3-5.

### Youth Ministries:

- Youth sponsor coverage for adult costs on mission trips, retreats, etc. so youth fees are reduced which reduces overall costs of these trips.

# Sharing the News and Growing Our Mission

*Continued from page one.*

- Turning annual kick off school event into a full fall retreat and possible overnight event
- Expand Wednesday Night Live (Youth group) events
- New Middle school Sunday school curriculum
- New Youth Fellowship events i.e. Murder Mystery dinner for Halloween
- Development of a Junior Youth Fellowship small group for 6th-8th graders

## **Worship:**

- Projector and camera maintenance/repair
- Child care for individuals/families involved in the Choir and Ensemble
- Nominal stipends for drummer, bass player, and intern tenor vocalist for Contemporary worship

We are a spiritual family committed to our faith and giving generously and gratefully is one of our

spiritual practices (Eight Keys of Discipleship). Please join us in this challenge so that we may give our best to God by returning your pledge cards to the church office by Consecration Sunday, May 21st so we know our community can depend on your financial support. It will be exciting and rewarding to witness Broadway's transformation from what we are to what we can be.

**Broadway Stewardship Committee**

## Highlights from Broadway's April Board Meeting

The April 25 meeting of the Broadway Christian Church Board was called to order by Board Chair Leslie Clay at 7:00 p.m. She opened the meeting with a reminder of the church's mission statement, and that there were no action items on the agenda to allow for more time to discuss the draft '17-'18 church budget.

### **Ministry Reports**

All ministry areas submitted a written ministry summary, which are included in the complete Board minutes.

### **'17-'18 Budget Discussion**

The Executive Committee met two times to review ministry area requests and the recommendations from

Broadway's Finance Team. At its second meeting, Executive Committee members voted to recommend an increase of 5.6% to fully fund requested increases.

Ministry areas requesting increases in funding were Personnel, Children and Youth Ministries and Worship & Liturgical Arts. Each area's representative made an excellent case for the requested increases.

Aaron Sapp, Stewardship Co-Chair, spoke to the dedication and hard work of the Stewardship team. The team has embraced the challenge of a 5.6% goal.

Following a summary of the Executive Committee meeting and remark by the ministers, the meeting was adjourned at 8:47 p.m. The next Board meeting will be May 30 at 7:00 p.m.

## Ladies Brunch Celebrates the Fab Fifties!

Where were you in '52? Whether you were a teeny-bopper swooning to Sinatra or your parents weren't even born yet—you will enjoy the May 13 Ladies' Brunch as we celebrate the Fabulous Fifties!

Tickets are on sale this Sunday (last one!) for the Brunch and are only \$8. You will enjoy some over-the-top decorations, great food from the Fifties and entertainment from Ed Hanson of Talking Horse Productions who will channel his inner Sinatra!

The Brunch will begin at 10:00 a.m. on Saturday, May 13 (the day before Mother's day). The Fellowship Hall will be transformed into a 1950's gathering spot. If

you have any vintage 50s fashions, this event would be a great time to pull them out of the closet!

Food will be prepared by our Connections Ministry Ladies Brunch volunteers who have been researching popular cuisine of the decade. Jell-O salad anyone? There will also be a "soda bar" for Coke or root beer floats!

If you will not be able to get your tickets next Sunday, tickets may be reserved by contacting the church office at 445.5312 or [dgraham@broadwaychristian.net](mailto:dgraham@broadwaychristian.net).

Please make your reservations no later than Wednesday, May 10.

## Celebrating Another Wonderful Year on June 11

On Sunday, June 11, the Broadway family will come together for a combined worship service at 10:30 a.m. in the Christian Life Center. June 11 is one of those special Sundays when we gather to recognize, remember and celebrate another wonderful year of ministry at our Annual Meeting!

Following our 10:30 a.m. worship, the Connections Ministry volunteers will have the table set for our annual chicken dinner, also in the CLC. The Annual Meeting will get underway as we are enjoying our lunch, celebrating

staff anniversaries, thanking our outgoing Board officers and members and ending with the congregational affirmation of the 2017-2018 budget.

New this year—following lunch, Broadway's children will be invited outside to the field just east of the CLC to enjoy Field Day activities. There will be games, crafts and other supervised activities for the kids!

Make your plans now to attend our Annual Meeting and Chicken Dinner—a Broadway tradition 59 years in the making!

# Can Make You Feel Loved!

Sure, that's part of what CareLink is all about--feeling loved and sharing that love. In fact, this month the CareLink Shawl Team ministry held a training session and found that we have lots of beautiful, comforting shawls and lap robes to deliver to our church family. We even have special sizes for babies.

If you ever want to see some of the shawls available, stop by the shawl display ladder in the church Narthex. And don't be shy, ANYONE can pick up a shawl and deliver it to someone who really needs a boost, someone who needs to know that they are loved and cared for by our church family. Just fill out the little form beside the shawls so we will know who got one.

In last Sunday's services the children demonstrated how CareLink literally links all of us together into one caring family. And the children were so happy to touch one of the handmade shawls.

Did you know that the shawls are blessed before they are delivered? Did you know that ministers, elders, deacons and church family members often take them to people who especially need comforting?

Susan Burns, prayer shawl coordinator, welcomes anyone

## April Report

who crochets, knits, weaves or creates the shawls. This is a beautiful ministry that takes bits and pieces of yarn and turns them into tangible love that can be shared among people. If you ever want to make a prayer shawl, just call Susan (875-5141) and she will welcome you.

By the way, did you know that we have crafters in our church who make small "leave behinds" to be delivered when our CareLink Care Center team makes visits? You should see the beauty of these crocheted angels, bookmarks and other items. Again, tangible love.

(in tinted box would you please put this part)

## CareLink is Growing!

This has been a busy month for all CareLink services:

\*Card Ministry\*Bereavement Ministry\*Care Center Visits\*Handy Helpers\*Prayer Shawl Ministry\*Flower Ministry\*

We are eager to begin the newest CareLink service, CALLS OF CONCERN. But first, we need a few more volunteers. Please contact Patsy Dalton (356-6036 or [daltonsinc@aol.com](mailto:daltonsinc@aol.com)) or Linda Poehlmann (234-1950 or [lpoehlmann123@gmail.com](mailto:lpoehlmann123@gmail.com)) to volunteer. Just a few calls a week will make a huge difference!

## Spirited Singers Sing for 60+

The April 24 60+ Luncheon was the group's final noon gathering until the fall, so why not close out the year with a

fun sing-along with folks you know?

Broadway's Spirited Singers provided the entertainment for the lunch, singing music from the '40s and '50s. There was even a dance number, tapped out by own very own Ruth Akerson!

## Share Some Time With Us As A Sunday Morning Servant

You see our Sunday morning Servants every week. They greet you at the outside doors. Another may invite you don a name tag. Still others will hand you a worship bulletin with a smile. Broadway's Sunday mornings just couldn't happen without these special volunteers!

We need more folks to serve as Greeters and Ushers on Sunday mornings at both the traditional and contemporary worship services.

Our Greeters meet members and visitors at our entry doors in both the Narthex and Fellowship Hall; or may sit at the name tag station to greet and offer information and name tags to visitors and members. Ushers distribute worship bulletins at the Sanctuary doors; take an attendance count; pass out the attendance "sign in" books; and assist with collecting offering and serving communion. Training for Ushers is available, or a new volunteer can be paired with an experienced Usher to learn the ropes.

There are other ways you can help as well. In the back of the Sanctuary, our technical booth now has three chairs—one for audio, one for projection and one for video. While Tech Guru Michael Tatum oversees the entirety of the operation, we rely heavily on volunteers to serve as audio, video and projection techs. Training is necessary for these volunteer positions, and can be scheduled in a group or individually.

All volunteers are scheduled on a rotational schedule, with our new schedule beginning on July 1. If you have events or trips already on your calendar for 2018, we are happy to schedule around any conflicts!

For more information, contact Ingrid or Debby in the church office at 445.5312.

## Sign Up Now for CCMA (NEOLA) Summer Camp

Attention Parents! The 2017 Summer Church Camp schedule for the Christian Church of Mid-America camps (or as we like to remember it, NEOLA) is now available! You can find the schedule online at [www.????](http://www.????) Or find a paper copy in the church office. And new this year—registration and payment is entirely online!

For 2017, all but one camp session will be held at Camp Covenant Point, a Presbyterian-owned camping facility in Holts Summit. According to Pastor Nick, the facilities and grounds have a very “Rickman-like” feel—adding to the enthusiasm for this year’s camping ministry and programs!

If you would like more information about the different camp sessions, please contact Kahlea in the church office at 445.5312.

## Baptism Class Begins Final Preparations

Broadway’s Baptism Class has been meeting since the beginning of Lent, learning and growing in their understanding of their faith. Each Sunday morning since, the class has met during the Christian Education Hour with one of Broadway’s ministers. Additionally, each Baptism candidate is paired with a Baptism Mentor, a person of mature faith and a spiritual leader of our church, to meet one-on-one for deep or casual discussion—and sometimes just for fun!

The 2017 Baptism Class will spend an overnight retreat at Broadway June 2-3. This final pre-Sunday gathering will go over the practical side of Sunday Baptism (like how do you get down those steps?) to any final questions of faith. Baptisms will take place during worship on Pentecost Sunday, June 4.

## African Dance Party to Raise Awareness, Funds for Rwanda Mental Health

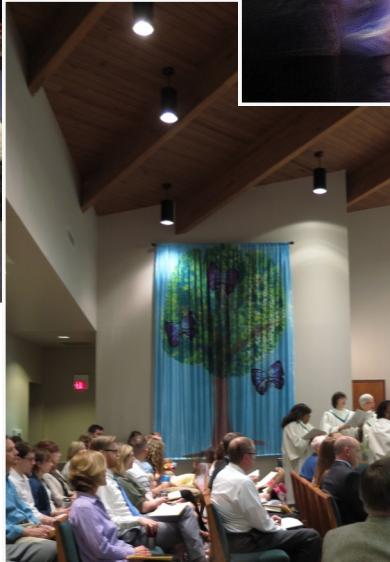

On Friday, June 5, from 7:30-10:00 p.m., Broadway will host an African Dance Party to benefit Step Up!, a local non-profit whose mission is to provide mental health care for Rwandan women.

Tickets for the Dance Party are \$5, and food and drinks will be available for purchase. The party will feature danceable tunes (with a DJ) and an opportunity to meet immigrants and refugees from the African continent in a casual setting. The Dance Party is part of a weekend of activities and workshops highlighting African culture.

Many Step Up clients are survivors of the Rwandan genocide, and face challenges associated with post-traumatic stress syndrome. Step Up has raised funds to open and staff a treatment center for women in Butare, Rwanda.

# Remembering A Magnificent Holy Week

Holy Week at Broadway was another amazing journey from Palm Sunday to Easter. The care and creativity of our Worship Ministry and ministers wove a tapestry of worship experiences that led us through celebration, the wrenching betrayal, the Passion and the Resurrection. Chris is Risen, Indeed!

# Congratulations to Our College Graduates

## Changing the World One Person At A Time

Broadway members Randy and Gayle Hulsebus are long-time American Field Service student exchange sponsors. The following article by Randy explains why AFS is such an important program—and why you might consider being a part of it!

What happens when you host an international exchange student? Everything changes.

- The student is given this wonderful opportunity to live in another country. They learn a different culture by experiencing the customs and traditions of the host family. They share their culture with everyone they meet.
- The host family opens their home and their hearts to a very special person. The student becomes a part of their family.
- The school and community are enriched by learning about another part of the world. The fellow students get the opportunity to teach someone about their school, community, and country.
- Friendships are made that last a lifetime. One volunteer we know had seven of the eight students they hosted return for their youngest daughter's wedding. The students make great tour guides of their home country. There is an article about our trip to Italy where we met up with five students on the AFSUSA.org website under Hosting.
- The home family and community learn about the USA when the student returns. They learn that we are more than the headlines in the news, or what they have seen in movies.
- The world news becomes more interesting as the places mentioned are someone's home. And the numbers are family and friends of someone you know.

Exchange students are not your average teenager. They are smart, self-confident, and mature. They are interested in the world. They tend to become world travelers as they want to learn by experiencing it. Many become leaders. We know of ones that have coordinated the drilling of a well, the building of a medical clinic, and the creation of a library in their home communities.

We are currently hosting our seventh student through the exchange organization American Field Service (AFS). Each one has been unique, interesting, and we have fallen in love with each of them. There have been challenges, but we belong to a wonderful organization. AFS is almost all volunteers that have been trained to help the students and host families through any situation. A volunteer will help match students with families for a successful placement.

AFS was started by ambulance drivers during World War I and World War II, as a means of seeking peace through exchanges with other cultures. Host families are registering now for student placement in August 2017.

I can't think of a better way to show God's love then to provide food and shelter to one of his children.
