

**IMPORTANT PLAN CHANGE INFORMATION.**  
Immediate Action Required to Continue  
Your Dental Benefits.

Re: Discontinuation of ACA-compliant Dental Plans

Dear Valued Client:

At Delta Dental of Colorado, we work hard to provide the best dental coverage for your business in support of our mission to improve the oral health of the communities we serve. We appreciate the opportunity to provide dental benefits to you and your employees.

The Affordable Care Act (ACA) requires that pediatric dental benefits, defined as an essential health benefit under the law, be included in most ACA-compliant small-group health plans. This requirement can often result in duplicative and confusing coverage for those who also purchase a Delta Dental of Colorado plan.

**To ensure that our plans provide good value for our customers by removing duplicative coverage, effective January 1, 2017, we will be discontinuing all of our off-exchange ACA-compliant plans.**

When you receive your 2017 renewal letter, you will have the option to choose another of our small group plans — including a version of your current plan that leaves out the ACA-compliant benefits found in most health plans, find a plan with another carrier, or purchase an ACA-compliant plan from Delta Dental of Colorado or another carrier on the Connect for Health Colorado marketplace ([connectforhealthco.com](http://connectforhealthco.com) or 1-855-752-6749). For more information on enrolling in one of these plans, contact your broker or your Delta Dental of Colorado account manager.

Thank you for your business and we look forward to continuing to serve you.

Sincerely,

Brian Steele  
Director of Client Services
