THE ENERGY WATER NEXUS

Charlene L. Wardlow

Charlene is the new Northern District Deputy and Geothermal Program Manager for the California Division of Oil, Gas, and Geothermal Resources.

She has a BS in Geology and an MS in Petroleum Engineering from the New Mexico Institute of Mining and Technology in Socorro, NM. She has over 3 decades of experience in the geothermal industry including 23 years at The Geysers involved in oversight of wellfield and power plant operations.

Her last 10 years at Ormat Technologies, Inc. focused on developing geothermal projects in primarily California. Her primary emphasis has been permitting new geothermal facilities, environmental compliance for existing projects, government and regulatory affairs that included community and public relations where the projects are located.
