[8/17/18 MAT Course - Click Here to Register](https://conta.cc/2lb242e)
<https://conta.cc/2lb242e>

Presenters: Molly Rossignol, DO
Sanchit Maruti, MD

DATA 2000 Organization:
American Academy of Addiction Psychiatry

All trainings are FREE and held from 8:30 am to 5:00 pm.

Please bring photo ID.

Residents may take the course and apply for their waiver when they receive their DEA license. They will need to maintain their certificate of completion following the training.

Physician Assistants (PAs) and Nurse Practitioners (NPs) and who take this 8-hour MAT waiver course will receive a certificate of completion and can apply it toward the 24-hour training requirement established by the Comprehensive Addiction and Recovery Act (CARA). PCSS-MAT also provides NPs and PAs with [the additional 16 hours coursework online FREE](#) and together they meet the required training to be eligible to apply for the waiver to prescribe buprenorphine.

For more information about this program and SAMHSA-sponsored training opportunities, [sign up](#) for the Buprenorphine Waiver Management email list.

Applying for the waiver to prescribe

Upon completing the required courses (MD-8 hours, PA and NP-24 hours) participants will need to submit a Notice of Intent form (NOI) along with their certificate(s) of completion, provided after completing the training, which verifies that they have completed the required coursework. A link to the NOI form application will be given following the training.

PCSS-MAT has a comprehensive library of materials with continuing education available at no cost for healthcare providers to build confidence in preventing substance use disorders and treating SUDs and opioid use disorders (OUD).

PCSS-MAT also has a no-cost clinical [coaching/mentoring program](#) to provide one-on-one clinical expertise for primary care providers. You can post a question to a listserv with an addiction specialist and be matched with an addiction specialist.
