Stewardship belongs at the heart of each individual and every congregation!

You Are Invited!!

Embracing Stewardship is an outstanding Stewardship event for all congregations.

Each person who registers by April 6, 2018 will receive a FREE copy of "Embracing Stewardship"

Rev. Chick Lane and Grace Duddy Pomroy will articulate what stewardship means to them and explore a few of the pathways your congregation can follow to deepen your members' understanding of themselves as stewards of God's abundance. Together they bring a multigenerational and "diverse approach" to their discussion on Stewardship. Coming from two generations, they are mindful of the generational perspectives and the worlds in which congregations live. Both Chick and Grace have a shared conviction that stewardship belongs at the heart of each individual and every congregation!
