## **Homme Youth and Family Programs**

Homme Youth and Family Programs is dedicated to the treatment of boys ages 10 to 17 and young men ages 18 to 21 who are on court orders. Our specialized treatment programs help them to cope, learn and recover from:

- History of Trauma
- Sexual Perpetration
- Sexually Reactive Behavior
- Autism spectrum
- Delinquency
- Victimization

Our programs provide structured daily schedules and activities, sight and/or sound supervision, individual and group therapy, family therapy when possible, spiritual care if desired, on-campus educational services, and reintegration to the community. Our multidisciplinary team of trained counselors, therapists, advocates and teachers provides wrap-around care through psychiatric, educational, clinical and milieu services that support each youth and family throughout treatment using a trauma-informed care approach.
