

Hello Everyone,

My name is Aaron Martinez and I'm a Life Scout with Long Beach Troop 65. I am also a Bethany Lutheran Alumni Kindergarten through 8th grade. I was recently given the green light by the Long Beach Area Council to move forward with my Eagle Scout Project, and I'm looking for donations to start it off. For my project, I am reorganizing a large storage closet for Bethany Lutheran Preschool. Inside this room is an assortment of various non uniform shelving and bookcases. The unsecured bookcases are filled with art and school supplies along with preschool toys and various other items. As a remedy, we're removing the old shelving and bookcases, and finally installing permanent wall mounted shelves. We will be installing both adjustable wire and custom built wooden shelves to better organize all of the materials. The estimated total cost of the project is around \$1,000. Donations are much appreciated, anything will help. If you would like to contribute, please make checks payable to Ellen Martinez at the home address below, and/or please attend my fundraiser at Sorrento's Italian Restaurant on May 31st between 10am and 9pm. Please present a flyer at the time of purchase or mention it's for Aaron's Eagle Scout Project. A portion of each receipt will benefit the project. I will have extra flyers at the door. Thank you.
