## FNB Donates to Keller Market House

*Lancaster* – Keller Market House opened in downtown Lancaster in 2016 and has seen significant growth in both vendors and customers. In an effort to assist with their continued success, Fairfield National Bank is pleased to announce it has made a \$5000 donation to Keller Market House. The market used the money to add the beautiful awning with their logo on the front of the building.

For more information about Keller Market House, visit their website at [www.kellermarkethouse.org](http://www.kellermarkethouse.org).
