Broward Gold Coast Down Syndrome Organization

Broward Gold Coast Down Syndrome Organization is a non-profit parent support group working to enhance the lives of individuals with Down syndrome. Gold Coast offers a variety of services in many areas, such as... newsletters, meetings, guest speakers, workshops, social events, advocacy, new parent visits, playgroups, teen youth group and more.

What is the Buddy Walk?

The Buddy Walk was established by the National Down Syndrome Society in 1995 to celebrate Down syndrome Awareness Month in October. It is a walk that anyone can participate in without special training.

The Buddy Walk has three primary goals: to promote acceptance and inclusion of people with Down syndrome; to raise funds locally and nationally for education, research and advocacy programs; and to enhance the position of the Down syndrome community, enabling us to positively influence local and national policy and practice.

What is NDSS?

The National Down Syndrome Society envisions a world in which all people with Down syndrome have the opportunity to realize their life aspirations.

NDSS is committed to being the national leader in supporting and enhancing the quality of life, and realizing the potential of all people with Down syndrome.

Down syndrome is a chromosomal abnormality affecting more than 400,000 individuals in the United States. Individuals with Down syndrome possess a wide degree of abilities and are active participants in social, educational, occupational and recreational activities in the community.
