Social Skills Groups

Downtown Hollywood, FL

New Times During Summer!

Tuesday's at 4:30pm to 6:00pm

Saturday's 11am to 12:30pm

For some children with special needs play may not come easily. In our Social Skills Groups, we strengthen your child's ability for meaningful social relationships. We do this by developing critical social skills, such as:

- The ability to actively listen.
- The ability to make friends.
- The ability to communicate and connect
- Greeting peers and adults appropriately
 - Initiating interactions with peers
 - Sharing with peers
 - Taking turns with peers
 - Joint attention
 - Following group instructions
 - Eye contact
 - Cooperative play
 - Problem solving skills
 - Attending skills in a group setting
