Camp HOPE is a 9 week summer day camp for children ages 6-12. At Camp HOPE, we provide a holistic approach to academic enrichment by combining educational, recreational, career development and cultural activities in a fun and safe environment. The structure of the program, the classroom setting and the activities selected will give children the opportunity to develop values, make ethical and responsible decisions, be an independent learner/thinker, practice self discipline and develop coping skills. Camp HOPE is designed to help children excel socially and academically. Our goal is to provide an amazing camp experience for kids of all backgrounds.

Program Highlights:

- Small group tutoring and daily academic instructions with certified teachers

- Afternoon classes in dance, performing arts, step, etiquettes, arts and craft etc.
- Seminars with guest speakers focusing on careers and character building
- Structured recreational time that includes free swim lessons, chess and other games and sports
