## 15TH ANNIVERSARY CELEBRATION - JULY 1ST 2016 – AUGUST 31ST, 2017

OIC of South Florida (OIC-SFL) has been continuing the work and legacy set by our founder, the late Reverend Dr. Leon Howard Sullivan and has served the South Florida community for 15 years. The signature events held during the 15th Anniversary Celebration are fundraisers designed to raise \$100,000 which will support OIC-SFL growth, infrastructure development, and the operational cost associated with delivering highly effective programs. This includes enhancement to support training - upgrading and expanding computer and training labs, a database management system, and costs associated with our new Miami training facility. Our ongoing fundraising efforts will increase our capacity to serve and meet the growing needs of the South Florida community.

We invite you to join the celebration and become a committed partner by sponsoring one of the signature events and/or providing monthly, quarterly, semi-annual or annual donations.

Your continued support and commitment will help OIC realize its mission of "Helping People Help Themselves" through training and employment as well as a host of prevention, interventions, and positive youth development initiatives all focused on strengthening the community by developing a dynamic workforce.
