Breakfast and Learn 5778 (2018)

The Bible in Song

This year, we will continue to explore Israeli songs that serve as modern midrash on Bible stories and characters, beginning with the patriarchs and matriarchs of the Torah. We will listen to recordings and live music and consider the relationship between song and biblical text, with selected commentaries from classical rabbinic sources.

Hebrew texts and English translations and texts will be provided, though students are encouraged to bring along their own copies of the JPS Tanakh. Enjoy a bagel breakfast in the early morning company of an intelligent, curious and welcoming group of adult learners.
