# Turning Two

**A separation program  
beginning January, 2018**

A new program designed for children turning 2 between December 2017 and April 2018. This program was thoughtfully designed and organized to meet the needs of these children, introduce them to a school environment and prepare them for a "separated" nursery school experience. With an intimate setting of two adults and just up to six children, our Turning Twos Program is designed to develop independence and a sense of self as well as encourage socialization and help develop communication skills.

**We offer a developmentally appropriate play-based curriculum that stimulates the children's natural curiosity with:**

- **art**
- **music**
- **sensory play**
- **fine motor activities**
- **hands on learning**

It is never too early to turn a child's natural curiosity into positive learning experiences. It is during these first few years of life that the roots for a love of learning are established.

**The Turning Twos Program is for 20-25 month olds and is available  
Tuesdays and Thursdays, 9:15-11:15 am, January 30–May 31.  
\$1800 members/\$2250 non-members**

**For more information, contact Patty Goldstick at (914) 948-2800, x126.**
