Escape the sun for an afternoon of friendly competition to see who gets that hole-in-one! This family-friendly miniature golf course named after Amelia Island's signature bird, the great blue heron, is located underneath a beautiful canopy of live oaks featuring 18 nautically themed holes.

Come and test your wacky golf skills on the adventure course and aim for that putt putt hole in one or golf with a garden hoe or tennis racket for extra creative wacky golf! We will have super fun give away items at every hole - from wine glasses to koosies, you will hit the 18th hole looking like you've shopped for a week! With both alcoholic beverages and sodas available it will be a fun time for everyone in the family. There will be yard games in the adjacent Canopy Park for a little pre-golf competition or relax in the park and finish that glass of wine with new friends.
