

PARENT TIME

Especially for
baby & toddler
parents

Over the next nine weeks, your child will be learning about kids in the Bible who rocked. Or, in other words, kids on the Bible who did what God wanted them to do. We believe that kids who do what God wants them to do totally rock! This month, your child will hear about how people in the Bible did amazing things when they were still kids!

You do so much as a parent to help your child develop the skills they will need to become a successful adult. You help them learn new information, master new skills, and make new friends. How about we add doing what God wants them to do to that list? No matter how young or old a person is, they can do what God wants them to do. We think that is what makes you and your child ROCK!

The community at **TheParentCue.org** was created to help parents do family better. With blog discussions, podcasts, advice, and inspiration, Parent Cue prompts us to intentionally connect with our families regularly. Since none of us need more to do in our day, Parent Cue helps us capture the time we're already spending together.

There's an app for that:

Parent Cue App – centered around a monthly topic, this app sends weekly CUEs that remind us to connect with our kids whether at home or on the go. You can even watch Bible story videos during drive time using the app.
