

Jubilation 2018

We are looking for volunteers to help plan Jubilation!

Jubilation 2018 seems far away - but it is right around the corner for planning. We are looking for volunteers to help plan our event. You don't have to be a leader to help - parents, friends or acquaintances can help with this event. We just need you to be an approved volunteer and support the Girl Scout Mission.

What is Jubilation?

Jubilation is a tri-annual, volunteer driven, council supported encampment since 2000.

Jubilation is the largest encampment of Girl Scouts in the Silver Sage Council. During Jubilation, girls/adults ages 5 - 99 camp together for a weekend of exciting programs, ceremonies and fun. Past events host 1200-1500 Girl Scout girls and adults.

Do you have a skill we are looking for?

This is an event so all aspects of planning are needed - Finance/Budget, Program planning Organizer for each age level and event program planning, Registration, Web Site Design, Safety and Nursing/First Aid, Logistics and Facilities, Older Girl Planning, Leader Paperwork Expert, project planning, photography and merchandise.

How much time is required?

Depends on the job and task. Committee Chairs meet monthly and then depending on work load meet with their committees as needed. This can be in person or phone based. Budget and finance start earlier planning than logistics and facilities. My guess is 4-20 hours per month starting in January 2017 - some months more will be required than others.

Can I help on committee and attend with my troop?

Maybe... - Depends on the job and your group. Let talk about your specific situation.
