INNOVATIVE AND SUCCESSFUL
PHA PROGRAMS THAT WORK

The Rural Supportive Housing Initiative and the **Alabama Association of Housing and Redevelopment Authorities** invite you to join a pre-conference session highlighting innovative programs from public housing authorities (PHAs) in the Southeast. These successful programs focus on providing housing and supportive services to public housing tenants and are designed to foster housing stability and overall wellbeing.

This session will provide an overview of the programs with ample time for Q&A and a discussion about ways for other PHAs to incorporate innovative programs like these in their own portfolios.

This session welcomes rural PHA Executive Directors and senior staff. It will take place immediately before [HW! The Southern Conference on Homelessness and Affordable Housing](#) on **Wednesday, November 15th from 9:00am-12:30pm**. There is no charge to attend this session.
