The screenshot shows the Epic Inpatient/Outpatient Provider Learning Home dashboard. The top navigation bar includes links for Patient Lookup, Remind Me, Personalize, My Reports, Rothman UMPL, Master Daily Schedule, and Dragon Login. The main content area is divided into three columns: News, Resources, and Notables. The News section shows a recent article from 06-21-18 about staying aware of downtimes. The Resources section lists links to Epic.HoustonMethodist.org, Accessing the Epic Playground, Epic Training Exercise Booklets, and Epic v2018 upgrade materials. The Notables section features a yellow folder icon and a message about pre-charting. Below these sections are tabs for Show All, Emergency, General, Inpatient, Outpatient, Physician (selected), and Patient Access/Revenue Cycle. A search bar for 'Physician' shows 76 results. A table below the search bar lists various topics and their categories.
