Alive with Joy! Pentecost is Coming!!

Pentecost Celebration.

Sunday, June 4th, we will celebrate all of our parish children and youth at the 10 AM Service. Our Youth will lead worship and we celebrate the birthday of the Church

Children who attend Nursery, Chapel and Sunday School programs along with all those who worship with their families will be invited to lead the congregation in song.

The children are learning the African-American spiritual "I'm Gonna Sing" so that we can lead the congregation next Sunday at our Pentecost celebration of Children and Youth. All children who are present on Pentecost will be invited and welcomed to join us in singing!

Grade 3-5 students are working on Prayers of the People so that they can lead our petitions next Sunday.

We will celebrate the Birthday of the Church immediately after the service with an All Parish Coffee Hour featuring Birthday Cake!

Please join us and wear red!

We Love Vacation Bible School!

Come Join Us!

As parents make plans for summer vacation, we want to spread the good news that **Christ Episcopal Church is planning for VBS the week of July 10th – 14th. All are welcome!**

This fun-filled week of Bible stories, creative play, friendship and good times offers two tracks: PreK4-1st Grade and Grade 3-5. Fifth-graders are invited to help as Junior Leaders at various times throughout the week. Youth from Grade 6-12 are invited serve as Senior Leaders, assisting the adult volunteers with all of the daily activities. VBS runs daily from 9 AM to 12:30 PM, with the option of staying to eat lunch (brought from home) and the choice of spending the afternoon until 5 PM. We do our best to accommodate a family's scheduling needs that week.

If you are an adult looking for an opportunity to connect with our broader community, please consider volunteering to spend part of VBS week with us.

Whether you are a parent wanting to register your child, a youth wanting to volunteer and earn community service hours, or an adult seeking a great time while supporting this important CCPK outreach and educational activity, please email Ann Enkiri:

Parish Life

June 4 will be a celebration of children and youth. Helpers are needed for June 4th with some food provided by Parish Life. Please contact: gailtroussoff@gmail.com

or katharinegagarin@yahoo.com Signup board is in the undercroft on Sunday, front hall on weekdays.

Summer popsicles are here. We are looking for a Popsicle Coordinator for the summer. The popsicles will be provided. Hosts are only needed to set up and cleanup.

Parish Life wants to form a Celebration Team to plan events such as a summer picnic. Please contact Gail Marks 301-455-5323 or gailtroussoff@gmail.com if interested in helping.

Summer Popsicles on the lawn are starting instead of coffee hour. Can you help as the coordinator or as a host?

If you can help in any of the roles below, please contact Gail Troussoff Marks gailtroussoff@gmail.com 301-455-5323.

Popsicle Coordinator: Preferably 2 people needed to make sure we have hosts for summer Sundays. Parish Life purchases popsicles and lemonade. Signups can be managed by signing up at church on the chart on the easel. Other ideas are welcome for managing host schedule.

Popsicle Hosts: This entails setting up the card table kept in the stairwell going to the church balcony, bringing up popsicles from the kitchen freezer, as well as, a pitcher of water and a jug of lemonade. Also bring up cups and napkins, which will be in the picnic basket. At the end, hosts take everything back to kitchen and stairwell.

Celebration Team – Still looking for folks interested in helping with receptions, social gatherings, picnics, etc.

PrimeTimers

The Prime Timers will meet in the undercroft of the church on Thursday, June 2nd from 11:30 for social time, 12:00 lunch and enjoy a speaker from 12:30 - 1:30.

Title of this month's presentation is: Sugarloaf: The singular History of a Singular Mountain. This extensively illustrated talk explores historical oddities of this tiny mountain that sits all by itself just over the Montgomery County line in Frederick County.

The presenter will be Ralph Buglass, a Montgomery County native, a lifelong history buff and a frequent speaker for the Montgomery County Historical Society Speakers' Bureau. A retired communications professional, he has a BA in American history from Cornell University and an MA in journalism from American University.

Since retiring several years ago, he has been a volunteer docent at the restored one-room Kingsley Schoolhouse (1893-1935) in Clarksburg, an experience that has sparked a deep interest in the early days of public education in Montgomery County. From his research into surviving Montgomery County schoolhouses, he has put together this talk on Sugarloaf Mountain—the connection being a one-room schoolhouse that now stands at the base of the mountain.

The cost of a lunch is \$10.00. Please RSVP to Nora Buckley, norabee@live.com or 301-564-0689 and let her know if you are ordering a lunch. Lunch orders need to be made by Monday, May 30st.

Outreach News

On Mother's Day, while the Men of Christ Church hosted coffee hour during Adult Forum, we were introduced to Nyumbani. Here's a brief summary of what you may have missed:

On September 8, 1992, Father Angelo D'Agostino, SJ, MD, and Sister Mary Owens, IBVM, took in three sick and abandoned children, thereby founding the Nyumbani Children's Home – Kenya's very first facility for HIV+ children. What was initially intended as a hospice where children could live out their remaining days in a safe and loving environment has now grown into a multi-faceted and sophisticated group of programs that are at the cutting edge of holistic care for those impacted by HIV on the African subcontinent. Today, Nyumbani serves more than 120 HIV+ children at the Children's Home, more than 3,000 HIV+ children and their caregivers in eight Lea Toto clinics in the informal slum communities of Nairobi, and 900 children and 100 grandparents who have been affected by the AIDS pandemic at the self-sustaining Nyumbani Village in Kitui, Kenya. Additionally, Nyumbani runs a world-class diagnostic laboratory and a respite center catering to seriously ill and malnourished HIV+ children,

The Outreach Committee was very touched by what was shared with us, especially by parish members who have had the privilege of visiting Nyumbani. We are hoping to find a way that our parish family could help with their efforts and help celebrate their 25 "birthday." The Committee is considering a wine/cheese event in October to fundraise for sewing machines to support the local women and perhaps a fundraiser for medical supplies. The event would include sale of local crafts made by the women. Ideas are still germinating so stay tuned for more to come! ***And, thank you Tina Cleland for being so passionate about Nyumbani and sharing that passion with us.***

Arcola Elementary

Last year, Outreach gave \$300 for supplies and T-shirts for the Arcola Elementary School summer camp for disadvantaged youth. This year, Arcola is joining with two other schools with challenged student populations and the camp may have upwards of 180 campers. The Outreach Committee will again give monetary support for the camp and we will also be putting together school backpacks for about 50-60 kids to be distributed at the end of camp. We expect the church backpack stuffing activity to be the second weekend in August. To sponsor a backpack, a \$15 donation will be requested. So watch the Outreach table for news! And...

Do you remember all the bottle caps we collected for Arcola, here's some pics of the children's art-work made out of those bottle caps!

Peace,

Men's Group/Mother's Day

The Christ Church Men's Group helped celebrate Mother's Day at Christ Church by providing a variety of food, snacks food and beverages for our parish mothers and their families following the service and by giving out carnations to all the moms. They also supplied carnations to the children to give to their mothers during the service. All in all, it was a warm celebration of those who have loved and nurtured us and our babies.

Thank You Green Day Helpers

After several delays due to uncooperative weather, we finally held our Green Day parish grounds spruce-up: planting, mulching, cleaning, tidying and making our property express God's beautiful creation.

Special thanks to Peter Turner who led the days activities, Sarah Leung, Anne Meyers, Ted Seale, Frank Shaw, Ryan Smith, and Helen Urquhart. All were assisted by our ever willing sexton, Leonard. The next time you visit, take a look around and gain an appreciation for those who work to keep our grounds beautiful.
