Alive with Joy with So Much to Do!

Back to School, Back to Basics:

Love. Forgive. Repeat.

For the Kensington Labor Day Parade, we've ordered reusable bags with "love. forgive. repeat." emblazoned on them. We'll hand them out to the lucky folk lining the parade route! And of course there will be one for all who show up to walk in our contingent. I figure we'll encourage less use of those pesky plastic bags, while reinforcing the basics of our journey of faith, our core values as followers of Jesus.

Love. Loving as Christ loves compels us to work for justice for all people. Loving as Christ loves leads us to uncomfortable situations as varied as showing up for someone in pain, even when we don't know what to say or do, or standing with those in the crosshairs of hate or trapped in the net of poverty. Loving as Christ loves compels us to risk everything to make that wide open love more visible in our lives and communities.

Forgive. Forgiving as Christ forgives changes the way we engage one another and the world. Forgiving as Christ forgives gives us the boldness to confess when we have not loved, have not resisted evil, when 'we do the very thing we hate' to paraphrase Paul. Bathed in that mercy we are able to ask ourselves not only "what good are we doing?" but "what good are we not doing?" Where are we blind to our own ignorance and our participation in the injustices of our day? How can we turn and embrace the call to love again?

Repeat. I must sound like a broken record. But our times call me, call us, back to basics. When

people are carrying torches in the streets for hate, arming themselves with words and weapons of bigotry, racism and violence, it's time to hear the call to love in word and deed echoing in our ears and shaking our very souls.

The problem is while these are basic, they are not easy. I thank God that we are in the Jesus movement together to challenge one another to this high calling to love and forgive again and again and again.

blessings,

Emily

Outreach News

Outreach never takes a vacation!

Take a look at how Christ Church has and is making a difference this summer!

OUR ARCOLA ELEMENTARY MINISTRY

We donated supplies for the summer camp program at Arcola that provides children two meals a day and fun, fun, fun! From painting to water balloons, the children enjoyed their special time in camp thanks to Christ Church and other non-profits.

Our generous parish has sponsored 60 backpacks, soon to be filled with school supplies (August 20th), for those children who do not have the means to purchase supplies on their own as identified by Arcola Elementary

This Sunday August 20th after the service, we will be filling those backpacks for delivery that day to Arcola Elementary! So coffee hour that Sunday is on Outreach!

bethesda cares

OUR BETHESDA CARES MINISTRY TO THE HOMELESS

We continue to collect socks for **Bethesda Cares** clients. *If you have the time, we are looking for someone to help deliver the socks to Bethesda Cares.*

Christ Church families continue to donate their time and talents in making sandwiches for **Bethesda Cares** clients the first and second Saturdays every month. **If you are interested in joining the BETHESDA CARES SANDWICH BRIGADE, please contact Liz Quinn at webethemom@aol.com**. It takes so little time, but makes such a big difference!

KENYA NIGHT Saturday, October 14, 2017 from 6-9:30 pm in the Undercroft SAVE THE DATE!!!!

The Outreach Committee will be hosting a "Kenya Night at CCPK" to benefit the children and families of Nyumbani (Swahili for "Home") and Tuko Pamoja in Kenya who have been infected or affected by the AIDS epidemic, particularly the AIDS orphans at Nyumbani Village and Masai school children living in desperate poverty.

We want to celebrate the creative energy and beauty of the Kenyan culture and spirits and at the same time raise awareness of African poverty, environmental degradation and impact of AIDS on the survivors of the pandemic. We will have a shop filled with crafts made by the women of Tuko Pamoja, (Swahili "Together We Can"). It will present a wonderful variety of Kenyan craftsmanship

So join us for an evening of joy, enlightenment and fellowship as we sample native food, meet some of the incredible people who donate their time at Nyumbani and admire the native crafts and of course, there will be special crafts for the children! Watch the Outreach table for more details.

Thank you for making a difference!

A Week of Growth in God's Glorious Garden

While a picture is worth a thousand words, sometimes numbers can help us a paint a picture. This is true of our weeklong Vacation Bible School—God's Glorious Garden. Turn back the calendar to the steamy, hot week of July 11th through 14th and imagine this: **twenty-one eager children** aged 4-10 arriving at Christ Church to spend the week in God's Glorious Garden. **Eight** of our own parish children welcomed **thirteen** neighborhood children to learn core Bible stories and have fun getting to know one another. **Five youth leaders** and **twelve adult leaders** guided this friendly and energetic group of children as we

planted a garden on our grounds, worshipped in our sanctuary, baked in our kitchen, learned in our classrooms, read in our Children's Library, "dressed-up" in our Nursery, listened and sang at Children's Chapel, and enjoyed playing and eating together in our undercroft.

Our twenty-one registrants represented fourteen families. VBS with extended-day hours really brings home that in caring for children, we are caring for their families. This year's families truly honored that gift through their free-will donations, which totaled \$790. Each donation came with an expression of thanks for the VBS experience here at Christ church. This level of giving covered our costs and allowed us to make a donation to Episcopal Relief and Development. The children learned how ERD supports families around the world with sustainable agriculture programs. Their chosen Gift of Life is a flock of chickens to help a family meet their own food needs with the possibility of some earned income as well.

The energy of these twenty-one preschool and elementary children was, luckily, well-matched by the energy and dedication of our five youth leaders. Three Christ Church youth— Ryan Carr, Olivia Deleen, and Casey Kilpatrick—welcomed new friends Andrea Ciconte and Kaia Frassrand. These young leaders demonstrated real commitment and caring throughout the week, supporting the adult leaders, engaging the children, participating in every activity and helping to prepare, serve and clean-up morning snack. They modeled true Christ-like behavior in all of their interactions and merit special recognition for their service to Christ Church. Two junior leaders shared their energy and kindness with us one day as well: Gabriel and Owen McLellan led our Godly Play children in garden work, irrigating with water from the dehumidifiers and helping with zinnia planting. Thank you, youth and junior leaders!

Kitty Shuler and Cindy Winder worked closely and generously with Ann Enkiri to plan and to lead activities that brought the Episcopal Relief and Development VBS curriculum to life. Kitty worked with our nine Elementary students to prepare them to lead the Bible story lesson and activities the following day. These students shone in God's Glorious Garden as they recounted the Parable of the Sower and helped the younger children with their seed packet craft. Cindy brought two much-loved activities to our program: the painting of clay pots for planting seeds and the making of straw-berry shortcake with homemade whipped cream. Youth and children worked together decorating their pots and everyone enjoyed both the making and eating of such a yummy harvest treat.

Kate Duchelle shared her gardening know-how and put in lots of hard work to make our dream of planning and planting a garden come to fruition. **Andrea McGray** and **Stephanie Feller** supported our Godly Play group of twelve children, patiently preparing and calmly assisting in every way.

God's Glorious Garden (cont.)

Dwight Allen delighted all of the participants---kids and adults—with his Bibletoons, unique telling of Bible stories while cartooning, and with his guitar-led songs. **Marylou Cumberpatch** joined us for an afternoon of dress-up play, popsicles, and story time, while **Nancy Gagne** helped out behind the scenes, preparing craft materials.

This amazing cohort of adult volunteers, enjoyed the support of Christ Church staff, each of whom participated in activities throughout the week: our rector, **Emily Guthrie**; youth leader, **Madi Chase**; Nursery caregiver,

Angeles Lara; administrator, Kurt Ellison, and children's leader, Ann Enkiri. Thank you, adult volunteers and church staff members!

This year's VBS was so much fun. We all grew in friendship with God and with one another. We grew in appreciation for the soil, water, seeds, animals and harvest that were featured in the Episcopal Relief and Development VBS curriculum. We grew in knowledge of God's holy word. We grew in blessings of caring for God's creation and for one another. All of our participants—children, youth, and adults—are already looking forward to next year's week in God's Glorious Garden, scheduled for July 9 – 13, 2018. Please mark your calendars now and save these dates so that—regardless of age—you can join us in the garden next year!

Lessons from Financial Peace University

By Kurt Ellison

I was sitting in a Diocesan Council meeting discussing stewardship and the future financial viability of our churches, when the subject of millennials and pledging came up. Someone asked, "How are we going to get

the millennials to pledge?" Our bishop had a great reply, "How about teaching them how to manage money in the first place. They are really struggling!" Bishop Mariann was right.

Then I remembered, "Hey, we have done this before!" Christ Church offered Financial Peace University years ago when the recession hit hard. Time to breathe new life into a previous project!

Christ Church, Kensington, and Church of the Transfiguration teamed up to offer Financial Peace University, a 9 week faith based course in personal finance this past June and July. It was my joy to coordinate classes in both locations for 22 people. Here are just a few of the lessons I took away after coordinating the classes this summer:

The church of the future will need to really care about the personal financial health of its members. The lessons taught in the course will always need to be taught, after all – it's all God's money and learning the right ways to be stewards of God's resources is a necessity.

We created a safe space in the church to talk about money. This is huge. Not everyone who comes to church considers the church to be a safe place to talk about their money, yet money is what Jesus talked about the most.

There is a big knowledge gap about managing money – and it isn't just millennials who need to know the basics. Schools and families are not teaching basic personal financial lessons. Big Banks and Financial Institutions take full advantage of this knowledge gap (banks rake in over 30 billion in overdraft charges alone!). Plenty of folks have no idea how to set and keep to a budget, or balance a checkbook.

Financial Peace University empowered everyone who took the course to improve and change their personal finances. Budgeting, paying off debt, relating with money in our families, planning for college, finding the right insurance coverage, investing for the future, and the spirituality of giving all left us encouraged to improve our own financial journeys!

Thank you Christ Church, Kensington and Transfiguration, Silver Spring for providing the space for this ministry! Thank you, Christ Church Endowment Committee for providing scholarships for participants who needed assistance to take the course! Thank you to the 22 students from within and without the church who took the course for 9 Monday and Thursday nights during the summer!
