CHURCH WORLD SERVICE

THANKS FOR STOCKING UP CWS CLEANUP BUCKETS!

FOCUS SHIFTS TO HYGIENE KITS FOR A FEW MONTHS

Great news! The push to restock CWS Emergency Cleanup Buckets has succeeded! Now CWS is asking the UCC to put together Hygiene Kits for a few months. Of course, if you are in the process of assembling more buckets, please finish them! UCC Disaster Ministries still has \$250 matching grants for churches assembling kits: <http://bit.ly/2kVMrjY>

Here is how to make a hygiene kit:

CWS Hygiene Kit

Supplies needed:

- One hand towel measuring approximately 15"x 28" to 16"x 32" (no fingertip, bath, dish towel or micro-fiber)
- One washcloth
- One wide-tooth comb removed from the package
- One finger nail or toe nail clipper removed from the package
- One bath size bar of soap in the wrapper
- One toothbrush in the package
- Ten standard size Band-aids

All items need to fit inside a one-gallon plastic zipper closure bag.

Remove the excess air from the bag and seal before boxing.

Do not add any extra items (or notes) or toothpaste. A tube of extended expiration date toothpaste will be added to each Hygiene Kit just prior to its journey.

After your hygiene kits are complete, please contact Donna Zangari to arrange for drop off.

PNEC Disaster Ministries will transport hygiene kits to The Brethren Service Center, New Windsor, Maryland.
