## **Serving on the Ohio District Youth Ministry Team (YMT)**

The Youth Ministry Team of the Ohio District is the driving force behind our District Youth Events. The team has six adults and a number of teens—usually 8 or 9 along with the District Youth Ministry Coordinator.

The Youth must be a sophomore or junior in high school to be nominated. They go through a selection process after the nomination. This consists of writing a few short paragraphs that allows for the adult committee members to get to know them, a written recommendation from their pastor and then an in person interview with 2 or 3 of the adults of the YMT.

### **Other Details of the YMT**

- A youth may nominate themselves! With this, they must ask an adult beside their pastor for a written endorsement.
- If a youth is chosen as a sophomore, they serve their jr. and sr. years, if chosen as a junior then they will serve only their senior year of high school.
- The YMT meets 4 or 5 times a year—these meetings are MOST important! This is where the ideas flow and the planning takes place.
- All YMT members are expected to attend ALL the Ohio District Youth Events—the Sr. High Gathering, Jr. High Gathering and when offered the Servant Event.
- As concerned young people and adults, the YMT members must be actively involved in their home congregation.
