

Start planning NOW to attend the National LCMS Youth Worker Conference in Minneapolis, July 8 - 12, 2018. This is an opportunity to worship, learn and share ideas with other LCMS youth workers - both volunteers and professional. The conference will have great worship opportunities, workshops on many topics, plenty of time to network to meet old and new friends who are doing similar things as you might be doing in your congregation with young people! Another PLUS is that it's in the city where the 2019 LCMS National Youth Gathering will be held, so, you'll be able to get a feel of where and a taste of how the Gathering venues will be used for.
