NOVEMBER | DECEMBER 2017

Community Living recognizes that there is a need for more day supports for families in our area. Connex Peterborough understands people wanting to fill their days with productive opportunities that are meaningful and fulfilling to them. Connex Peterborough wants to give people the choice of how they plan their day and what activities they sign up for.

Connex Peterborough will be offered to anyone over the age of 18 looking for ways to spend their day, interacting in their community and making friends through a staff supported, safe environment.

Fees vary by activity and support required.
