

## HERE'S A WIN-WIN PROPOSAL FOR YOU...

The BSO Sisterhood is launching 2 programs, one of which is in conjunction with the ECS, that we hope will not only help our congregants, and our community at the same time that they help us cover a shortfall we anticipate in our funding to cover the cost of upcoming unsponsored Shabbat Onegim and Kiddushim. Here's how:

**Beginning today**

**....Join in on our ongoing**

Turn gently-used clothing, accessories, linens, books and household items into funds that Sisterhood will use to cover costs of upcoming unsponsored Onegim and Kiddushim, and more and our Early Childhood School will use to enhance its programming... And, at the same time you can help our community, the world, and the environment

Your gently used clothing and items will find more than a good home. They'll create a source of revenue to support Sisterhood as well as help people in need here and abroad. And donating to this program, your things helps keep stuff out of landfills and jumpstarts marketplaces in developing countries and the earth wins!

So, take those clothes you never wear, that china you never use, the garage packed with stuff you don't need, and transform all your reusable goods into support for Sisterhood and, therefore, for BSO.

### **Items the Value Village/Unique Thrift Stores will accept:**
