

# **MSW Family School Association End of Year Faculty and Staff Appreciation Collection**

**2016-2017**

As we look ahead to the end of the year, we invite your participation in a final collection for our hard working faculty and staff. This collection is optional and a simple way to express your gratitude to ALL of the educators and staff that work with our children each day – including the homeroom, administrative staff and the teachers working in the specialized areas of music, art, reading, foreign language, library, computer and physical education.

## **Here are the Facts:**

- The collection will be distributed in the form of a monetary gift on the last day of school.
- An accompanying contributor list is included with each gift that notes the participating families but NO reference is made to individual donation amounts.
- The Archdiocese has directed that all monetary gifts to staff must be distributed through payroll, therefore, this collection will be distributed through a special payroll check organized by FSA and administrative staff.
- Last year, over 70% of families participated in this collection and your support is welcomed in whatever amount you are able to contribute.

## **To Contribute:**
