

Mary, Seat of Wisdom School

2018 Summer Course Offerings

We invite all students to advance their abilities by enrolling in a custom- designed summer program that will focus on fun, engaged learning and the acquisition of skills to strengthen student readiness for the coming school year. Avoid Summer Brain! The Grade levels listed are those that students will be entering in the 2018-2019 school year. A snack break will be offered each day; students must bring their own snack/lunch.

Register Online at <https://goo.gl/forms/9wtzDJqz1Wy3Ylv42>

Each two-week course will be held Monday through Thursday from 9:00-11:00 AM,
June 18th through 21st and June 25th through 28th.

Courses may be cancelled due to low enrollment. Each course must have a minimum of 4 students.
In the event of a course cancellation, your payment will be refunded.

Jump Start to Kindergarten

Entering Kindergarten

Teacher: Mrs. Tracy Dolce **Location:** Room 107

Dates: Monday-Thursday 6/18-6/21 and Monday-Thursday 6/25-6/28

Time: 9:00 – 11:00 AM

Total Cost: \$220

Mary, Seat of Wisdom's Jump Start to a World of Wonder Kindergarten Readiness Program provides the opportunity for your 4 to 5 year old to explore the world around them. During this summer program your child will learn basic skills to help prepare them for Kindergarten. This exciting summer class will advance your child in literacy, art, math, science, social studies, and phonemic awareness. Throughout this journey, your pre-kindergarten will grow and learn while becoming comfortable in a more structured classroom environment.

Reading/Math Readiness

Entering 1st Grade

Teacher: Mrs. Geri Brewster **Location:** Room 103

Dates: Monday-Thursday 6/18-6/21 and Monday-Thursday 6/25-6/28

Time: 9:00 – 11:00 AM

Total Cost: \$220

This program will provide students a jumpstart to first grade by reviewing skills that have not been completely mastered in Kindergarten. These skills will be reinforced through a variety of hands-on materials and games.

Jump Start to 2nd Grade

Entering 2nd Grade

Teacher: Mrs. Mary Ellen Forde **Location:** Room 204

Dates: Monday-Thursday 6/18-6/21 and Monday-Thursday 6/25-6/28

Time: 9:00 – 11:00 AM

Total Cost: \$220

This program will reinforce math, reading, and writing skills, preparing students for second grade.

2018 Summer Course Offerings

Are You Ready for 4th Grade Math?

Entering 4th Grade

Teacher: Miss Meghan Garby **Location:** Room 215

Dates: Monday-Thursday 6/18-6/21 and Monday-Thursday 6/25-6/28

Time: 9:00 AM – 11:00 AM

Total Cost: \$220

This course will reinforce math concepts the students should know for 4th grade math. We will use hands-on activities and different methods of instruction to learn and grow more confident with the concepts.

Getting Acquainted with the iPad, Google Drive/Docs/ Sheets/Slides, and Keyboarding

Entering 5th Grade

Teachers: Mr. Christopher Ferraro **Location:** Computer Lab

Dates: Monday-Thursday 6/18-6/21 and Monday-Thursday 6/25-6/28

Time: 9:00 AM – 11:00 AM

Total Cost: \$220

This course will go in-depth into Google Docs/Sheets/Slides and how to prepare and share these documents. We will use Type to Learn to practice different keyboarding skills. We will also go over the ins and outs of the iPad to be better prepared for the start of the 5th grade.

Jump Start Math – **BY INVITATION ONLY**

Incoming 4th Grade Accelerated Math Students

Teacher: Mrs. Danielle Friel **Location:** Room 207

Dates: Monday-Thursday 6/18-6/21 and Monday-Thursday 6/25-6/28

Time: 9:00 AM – 11:00 AM

Total Cost: \$220

BY INVITATION ONLY: *Incoming 4th Grade math students who have met specified criteria. Students will be notified via report card; a separate registration form will be sent to these families.*

This course is for students that have been invited to move into an accelerated math program at the 4th grade level next August. These selected students will, in effect, be skipping an entire year of math traditionally taught at the 4th grade level. The Jump Start Math Class is to review the 3rd grade math material and cover the 4th grade program.
