

**CALL FOR NOMINATIONS
2019 Engineer of the Year**

Please forward the information below as appropriate so nominations may be brought up at your next board meeting for discussion. Thank you!

As you know, one of the traditions of the Toledo Chapter Engineers Week observance is the honoring of a local engineer as Engineer of the Year. Doesn't one or more members of your organization deserve to be named "Engineer of the Year"?

In order to qualify for nomination for Engineer of the Year, a candidate must:

1. Be nominated by a technical or professional society or corporation
2. Be a graduate and/or registered professional engineer
3. Be a resident of the Toledo Chapter Area including Lucas, Wood, Ottawa, Sandusky, Erie, Seneca and Huron counties for the past 5 years

Candidates will be judged in seven categories: *technical knowledge, professional interest and habits, personal character, leadership, public relations, civic spirit and contributions to the community, state, and/or nation.* The submitted nomination package (including resume) should address each of the seven categories listed above. Documentation and letters of recommendation are strongly encouraged.

Re-nomination of candidates from previous years is welcome. Please update previous nomination package prior to re-nomination.

Submit nomination packages no later than Friday, December 21, 2018 to:

Tom Uhler, PE
TTL Associates
1915 N 12th St.
Toledo, OH 43604

ATTN: EOY Nomination

You may also email a PDF of the nomination package to:
(Subject: 2019 Engineer of the Engineer Nomination) tuhler@tlassoc.com

We hope your organization will take the opportunity to submit a nomination and ask that you take a few minutes at your next Board meeting to discuss this. The recognition this award brings to the winner, his or her society and their employer is worth the time invested.

If you have any questions, please contact Tom Uhler, P.E. at 419-241-0101

Sincerely,
Thomas R. Uhler, P.E.
Selection Committee Chair
