RE: Lincoln-Way West to host winter play performances in early February

In early February, Lincoln-Way West students will complete the seventh season of their student-directed Black Box Theatre. One act plays are directed by veteran Theatre Company seniors and are interesting, poignant and funny. The stage allows for an intimate audience experience.

Performances will be held at 7:00 p.m. in the Fine Arts Auditorium of Lincoln-Way West. Performances will occur on:

- Thursday, February 1, 2018
- Friday, February 2, 2018
- Saturday, February 3 2019

Tickets are \$5 each and may be purchased at the door.

“Directing your senior year is something our seniors really look forward to,” says Director of the Lincoln-Way West Theater Company, Marta Koonce. “I believe they all rose to the challenge and had fun doing it as well. What you will see at our performances has been rehearsed in only three short weeks.”
