## **RE: Lincoln-Way Foundation offers commemorative bricks for graduating seniors**

The Lincoln-Way High School District 210 Foundation for Educational Excellence is proud to offer the opportunity to recognize Lincoln-Way high school graduates with commemorative bricks. Each commemorative brick will be placed along the wall outside the graduate's high school auditorium, allowing the honoree's name to become a permanent part of his or her building.

"This is the perfect gift for a graduating senior; alumni love returning to their schools to see their names in the hallways," says Foundation Board Director Steve Hogan.

A brick can be purchased for any individual or any group; names of students, athletes, siblings, and teams all line the hallways. The cost for a brick is \$100. Those interested in purchasing a commemorative brick can find the order form listed under "Current Resources" on the district homepage.
