10/4 Literacy for Little Learners

Presenter: *Joshua Cazar, YWCA Parent Educator*

6:30pm—9:30pm

Registration Fee: \$25

We know that literacy instruction is important, but it's the manner of which this instruction takes place that makes the greatest impact on our children's learning. In this training participants will learn all about cultural relevant literacy and disciplinary literacy. When our children read books where the characters, settings and topics mirror their own lives something magical happens. When the instructions are developmentally appropriate and taught with an emphasis on the knowledge within specific disciplines, the learning becomes rich and overarching.

10/13 Program for Infant Toddler Care (PITC): *Module 1 ~ Social-Emotional Growth and Socialization*

Presenter: Casey Craft-Cortes, YWCA Infant Toddler Specialist & ITN Trainer

8:30am—5:00pm

Registration Fee: \$20

Comprised of 4 Modules, the Program for Infant Toddler Care (PITC) is designed to help child care directors and infant/toddler care teachers become sensitive to infants' cues, connect with their family and culture, and develop responsive, relationship-based care. This training takes an in-depth look at cognitive and social-emotional development, encouraging growth within daily routines and tips on setting up appropriate environments for experienced infant and toddler professionals.

Module I: Social-Emotional Growth and Socialization

This training begins with an overview of the basic concepts of early social-emotional growth and socialization and their application to the group care context. An emphasis is placed on the development of a nurturing relationship between the infant and caregiver. The overview addresses the importance of responsive caregiving, the individualization of care through an understanding of infant temperament, the critical role of family and culture in early identity development, and stages of emotional development.

Targeted Audience: Directors & Infant Toddler Staff

Level of Learning: Intermediate

In Service Hours: 8

Module 2: Group Care

This module introduces special considerations in caring for infants and toddlers and six program policies that support the development of emotionally secure relationships in the group care setting. An overview of the content of Module II explores the positive impact of responsive caregiving routines, well-designed learning environments, and individualized care on the well-being and development of children from birth to three. Attention is also given to how the policies of primary care, small groups, continuity of care, individualization of care, culturally responsive care, and inclusive care of children with special needs provide the foundation for high quality infant/toddler care.
