5/5 Child Development, Health & Safety Basics

Presenter: Don Gill, YWCA Health & Safety Specialist & ITN Trainer

This training will provide participants an overview of child development, health, and safety issues for children birth through early school-age. Emphasis will be on understanding patterns of development, developmental domains, and the role of nutrition in development. In addition, health and safety issues will address supporting the growth of healthy children - from the basics such as handwashing to more in-depth practices surrounding healthy procedures and disease prevention. Participants will learn more about emergency planning/preparedness and first aid as well as identify tips for maintaining safe indoor/outdoor environments.

5/5 Elementos Básicos de Desarrollo Infantil, Salud, y Seguridad

Presentadora: Ana Sanchez, ITN Trainer

Esta capacitación proporcionará a los participantes una visión general del desarrollo infantil, salud, y cuestiones de seguridad para los niños desde el nacimiento hasta la edad escolar temprana. El énfasis será en la comprensión de las pautas de desarrollo, áreas de desarrollo, y el papel que juega la nutrición en el desarrollo. Además, las cuestiones de salud y seguridad abarcarán el apoyo al crecimiento sano de los niños – desde lo fundamental como el lavado de manos hasta prácticas más profundas que involucran procedimientos saludables y la prevención de enfermedades. Los participantes aprenderán más sobre la planificación/preparación de emergencias y los primeros auxilios además de identificar sugerencias para mantener un ambiente seguro de interior y/o al aire libre.

****Entrenamiento satisface los requisitos de CCAP****

5/23 Reality Bites

Presenter: Susan Mrazek, Early Childhood Mental Health Consultant

6:30pm—8:30pm

Registration Fee: \$25

Biting is inevitable and common among children under the age of three. It is important to understand the developmental reasons for biting in order to prevent it and deal with it when it happens. Dealing with biting in group care calls on a variety of strategies to prevent and discourage biting and to promote pro-social behavior. Through discussions you will have the opportunity to explore your own emotions and work on practical solutions to decrease this challenging behavior.

6/5 Understanding and Building Supports for Sensory Processing Needs in Your Classroom

Presenter: *Susan Mrazek, Early Childhood Mental Health Consultant*

Time: 6:30pm—8:30pm

Registration Fee: \$25

Is there a child in your care who shows you that “Sometimes I need to...”

- ⇒ “To push or kick my friends.”
- ⇒ “To spin and spin and spin.”
- ⇒ “To cover my ears with my hands.”
- ⇒ “To play rough and break things.”
- ⇒ “To wash my hands, because I don’t like the way some things feel on my hands.”

If these sound familiar, it is important to understand the sensory processing system for young children and how it can affect behavior. In this training, we will define sensory processing and sensory needs and will discuss ways to support children showing sensory challenges in your classroom. We all have sensory needs and can feel uncomfortable when we are overwhelmed in our senses, as well as feel lethargic when there is not enough stimulation. This training can help to identify your own sensory needs as well as those of children in your care.

6/20 ECO- Healthy Child Care- Household Chemicals, Pesticides, Arsenic, Recycling and Garbage

Presenter: Whitney Bieber, YWCA Quality Specialist & ITN Trainer

Eco-Healthy Child Care is a national, science-based and award winning program partnering with child care providers to eliminate or reduce environmental health hazards. Participants will receive information on environmental health hazards, how to identify these within their center as well as free or low cost steps to ensure they are providing an Eco-healthy child care setting for the children and families. This month Household Chemicals, Pesticides, Arsenic. Recycling and Garbage will be discussed.

Targeted Audience: All Family Child Care Professionals

Level of Learning: Introductory

6/21 Keeping Kids Safe

Presenter: *Melanie Morong, YWCA Prevention Education Coordinator*

6:30pm—8:00pm

Registration Fee: \$25

The safety of children is a major concern of child care providers today. Providers have concerns about keeping children safe from abuse and neglect. The Illinois Coalition Against Sexual Assault states that, '1 out of 4 girls and 1 out of 6 boys will be sexually assaulted before they reach the age of 18. Of those, over 85% will be assaulted by someone they know and trust.' A Prevention Educator from the YWCA Sexual Violence and Support Services will address these concerns by providing information about the following; Reduction of vulnerability, clues to possible victimization, responding to a troubled child, identification of a possible offender and overview of Mandated Reporting.

6/23 Program for Infant Toddler Care (PITC) - Module 4

Presenter: *Casey Craft-Cortes, YWCA Infant Toddler Specialist & ITN Trainer*

8:00am—4:30pm

Registration Fee: \$20

Comprised of 4 Modules, the Program for Infant Toddler Care (PITC) is designed to help child care directors and infant/toddler care teachers become sensitive to infants' cues, connect with their family and culture, and develop responsive, relationship-based care. This training takes an in-depth look at cognitive and social-emotional development, encouraging growth within daily routines and tips on setting up appropriate environments for experienced infant and toddler professionals.

In Service Hours: 8

Those completing all 4 modules can apply to receive:

The Program Infant Toddler Caregiver Certification

Module 4: Culture, Family, and Providers

Targeted Audience : Directors & Infant Toddler Staff
Level of Learning: Intermediate

6/26 Child Development, Health & Safety Basics

Presenter: *Don Gill, YWCA Health & Safety Specialist & ITN Trainer*

6:00pm—10:00pm

Registration Fee: FREE

This training will provide participants an overview of child development, health, and safety issues for children birth through early school-age. Emphasis will be on understanding patterns of development, developmental domains, and the role of nutrition in development. In addition, health and safety issues will address supporting the growth of healthy children - from the basics such as handwashing to more in-depth practices surrounding healthy procedures and disease prevention. Participants will learn more about emergency planning/preparedness and first aid as well as identify tips for maintaining safe indoor/outdoor environments.

In Service Hours: 4

June 2018 Professional Development Opportunities

6/26 Elementos Básicos de Desarrollo Infantil, Salud, y Seguridad

Presenter: Ana Sanchez, ITN Trainer

Esta capacitación proporcionará a los participantes una visión general del desarrollo infantil, salud, y cuestiones de seguridad para los niños desde el nacimiento hasta la edad escolar temprana. El énfasis será en la comprensión de las pautas de desarrollo, áreas de desarrollo, y el papel que juega la nutrición en el desarrollo. Además, las cuestiones de salud y seguridad abarcarán el apoyo al crecimiento sano de los niños – desde lo fundamental como el lavado de manos hasta prácticas más profundas que involucran procedimientos saludables y la prevención de enfermedades. Los participantes aprenderán más sobre la planificación/preparación de emergencias y los primeros auxilios además de identificar sugerencias para mantener un ambiente seguro de interior y/o al aire libre.

****Entrenamiento satisface los requisitos de CCAP****
