

### Join OJC in Poland from April 9-12, 2018

Join **Kenes Tours** and the **OJC** in Poland with our expert tour educator, **Sara Pellach**. This thought-provoking journey through Krakow, Auschwitz and Warsaw celebrates the once great and high-cultured Jewish community of Poland, while remembering the destruction at the hands of the Nazis. The emotional and thoughtful 4-day program will put participants directly in contact with the events of the Holocaust, as well as with the revitalization of the Jewish community of today.

Our tour educator, Sara Pellach, the daughter of two survivors, is a Holocaust scholar and has led over 250 youth and adult Jewish heritage tours to Poland and Eastern Europe over the last 30 years. A former school principal in Canada, Sara participated in a tour to Poland for second generation survivors, after which she decided to devote her work to researching and teaching the Holocaust from the 'field.' She was recognized by Lech Wałęsa for her work in Holocaust education in Poland and is also a longtime Holocaust educator for Israel's Ministry of Education.
