# CHILDREN'S PROGRAMS

## Pokemon and Yu-Gi-Oh Club

**Thursdays, 3:30-4:30pm**

**October 19, November 9 & December 14**

Come play or trade cards at the library! Don't know how to play? Volunteers will teach you. (Teens in grades 6-12—we're always looking for more volunteer instructors!) Don't own any cards? We will have some on hand for you to use. Ages 6 and up. No registration required.

## LEGO Club

**Saturdays, 10am**

**October 21, November 18, and December 16**

What will you build today? Use the library's LEGO and DUPLO blocks to build. All ages. No registration required.

## Geology Dig

**Sunday, October 22, 2-3pm**

Come "mine" for semi-precious stones at the library! We'll dig through sand to find tumbled stones, talk about identifying rocks, and participate in more geology-themed activities. Since the tumbled stones can be a choking hazard, we are very firm on ages: 4-9. Children will go home with a small quantity of tumbled stones and an identification guide. **Space is limited and registration is required, starting October 9. Stop by the Children's Desk or call 873-6281 to sign up.**

## Family Movie Afternoon

**Thursday, October 26, 2-3:15pm**

It's an early release day from public school. Come to the library to enjoy a classic Halloween movie with popcorn and juice—all free, thanks to generous funding from the Stoughton Optimist Club! When the king of Halloween Town discovers Christmas Town, he tries to bring Christmas home, but this causes great confusion. Rated PG. All ages.

**Free tickets are available at the Children's Desk starting at 1:30pm.**
