

5TH ANNUAL SPRING SPECTACULAR MARKETPLACE VEND^{OR} INF^{OR}MATION

What is Spring Spectacular?

The Spectrum at Val Vista's 5th Annual Spring Spectacular, is our most anticipated signature event held in this community of nearly 1,500 homes and draws in over 2,500 residents and their guests.

Event Information

Saturday, March 31, 2018

9 am - 1 pm

Main Park | 2928 S.Spectrum Way

We bring out all the stops to make this memorable event fun for the entire family. There will be everything from a double zip line, rock climbing, and face painting to live entertainment, food, drinks and the great Egg Scramble with 8,000 eggs.

What is the Spring Spectacular Marketplace?

The Spring Spectacular Marketplace is a newly added area in the event for small independent business owners, giving the opportunity to get valuable face to face contact with our residents and guests to sell their merchandise.

Small independent business owners with merchandise who are looking for a platform to reach a high volume of people, the marketplace is intended for you. We will be limiting the types of vendors we will accept to prevent multiple vendors selling similar products.

If you are larger business or business without merchandise and are interested in participating at Spring Spectacular, please visit our website and check out our Community Partners/Sponsorship information.

How do I Participate?

To register visit www.SpectrumAtValVista.com and click on the Spring Spectacular Marketplace Vendor link.

Marketplace registration fee is \$50.

Marketplace vendors will be provided a (1) 6ft table, (2) chairs and lunch (your choice of hamburger or hotdog, chips and soda or water). It is strongly recommended that vendors bring a pop-up canopy for shade.

Additional Details

The Marketplace will be located on the basketball courts which are in the center of the event. All participating vendors information will be added to all printed and digital marketing materials. Post Spring Spectacular, we will also send out links to all Marketplace Vendor webpages and social media pages to our entire community.

Register at www.SpectrumAtValVista.com

Additional questions please contact Donald Smith, Lifestyle Director at dosmith@ccmcnet.com or at (480) 726-8080.
