## ***9 Reasons to Give to Artemis Center***

- 1.) You will help a victim become a survivor.** One in 4 women and 1 in 7 men will be a victim of domestic violence at some point in their lives.
- 2.) You will help stop the cycle of family violence—a public health issue that impacts the entire community.** Children who grow up in a violent home learn that violence is "normal," likely repeating the cycle in their own adult homes and in the community.
- 3.) You will help increase community-wide awareness** through activities and events. If community resources are not well known, victims may not be aware of their options.
- 4.) You will affect change at every socio-economic level.** Domestic and sexual violence cross every socio-economic boundary.
- 5.) You will be part of the solution.** Eighty-eight percent of women who receive Artemis Center case management accomplish their goals.
- 6.) You will help people you know:** family members, friends, neighbors and co-workers. Artemis Center receives requests for assistance every day from local individuals—some of whom you may know personally.
- 7.) You will help prevent child abuse.** Children are likely to be physically assaulted in up to 90% of homes where domestic violence is present.
- 8.) You will enable Artemis Center to provide free, lifesaving services** in English and Spanish, 24 hours a day, including a 24-hour domestic violence hotline (461-HELP), crisis intervention, safety planning, support groups, child therapy, aid with the legal process, and legal assistance.
- 9.) Everyone knows someone who has experienced violence. *Even if you don't think you know, you know.*** By fundraising on behalf of the survivors whom Artemis Center serves, you have the chance to honor the victims and **SURVIVORS** in your life.
