

## Brain Injury Symposium of Mid-Michigan Attendee Records

Origami maintains records of Symposium attendees for a minimum of 7 years in electronic format. A Symposium attendee record will be made available upon request of the attendee.

Attendee will be asked to verify identity when requesting records which may include pictured identification, Symposium receipt, and contact information matching Symposium contact information.

The permanent record includes:

- Attendee name
- Name of Symposium
- Start and completion date(s) of the Symposium(s) attended
- Number of AOTA CEUs awarded
- Speaker(s) name(s) and credentials
- Address, email and telephone number provided at time of registration.

Attendees who attend the entire Symposium will be provided with a certificate from the relevant continuing education sources requested.

Please contact Yvonne Fleener, Business Development Manager, for additional information at 517-455-0278 or [yvonne.fleener@origamirehab.org](mailto:yvonne.fleener@origamirehab.org).

Record requests can be mailed to:
