

Why Attend

The Brain Injury Symposium of Mid-Michigan will enhance attendees' knowledge of brain injury rehabilitation in the areas of personal experiences with brain injury and recovery, alternative treatments to pain management, music therapy, intensive physical rehabilitation applications, and human trafficking.

Learning Outcomes

At the conclusion of this program, participants will be able to identify...

- Personal experiences with brain injury and recovery
- Various methods to manage pain
- Benefits and focus of neurologic music therapy
- Intensive physical concepts, tools, and application in neuro-rehabilitation
- The dynamics and prevalence of human trafficking within the brain injury community

Who Should Attend

Interdisciplinary professionals interested in the field of brain injury including, but not limited to, physical therapists, occupational therapists, speech-language pathologists, nurses, social workers, psychologists, vocational counselors, recreational therapists, case managers, discharge planners, and healthcare students.

Amanda Carr, OTRL, CBIS - **Co-Chair**

Yvonne Fleener, MPA - **Co-Chair**

Lindsey Davis, LMSW, Sparrow Health System

Allison Burns, BSN, RN, CRRN, CBIS

Deborah DeLong, RN, BA, CCM, CBIS

Tammy Hannah, OTRL, CBIS

Natasha Huffine**, MS, OTRL, CBIS

Jennifer Pascoe, BS, CBIS

*There are no conflicts of interests for the symposium planners.

** Natasha Huffine - CE Provider - 517-455-0270

The 12th Brain Injury symposium of Mid-Michigan is offered for 0.6 CEU (Intermediate Level; Professional Area)

Origami Brain Injury Rehabilitation Center is an AOTA approved provider. 0.6 AOTA CEUs are being offered for this course.

The assignment of AOTA CEUs does not imply endorsement of specific course content, products, or clinical procedures by AOTA

12th Brain Injury Symposium of Mid-Michigan

presented by:

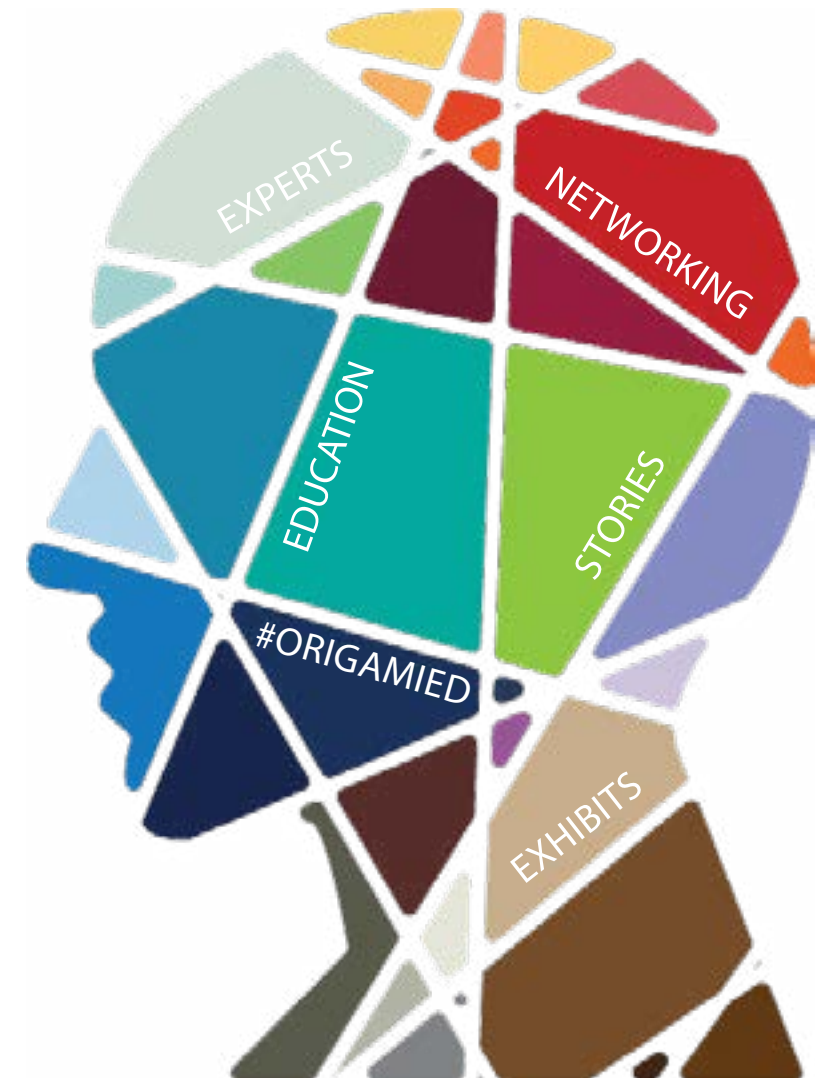

Origami Brain Injury Rehabilitation Center

Friday, June 22, 2018

MSU Kellogg Hotel & Conference Center

219 S. Harrison Rd.

East Lansing, Michigan 48824

Keynote Speaker

Amy Zellmer

Amy Zellmer is an award-winning author, speaker, and traumatic brain injury survivor. She is a frequent contributor to the Huffington Post and also produces a podcast series for survivors and caregivers. In November, 2015 she released her first book, *Life With a Traumatic Brain Injury: Finding the Road Back to Normal*, which received a silver award at the Midwest Book Awards. She sits on the Brain Injury Advisory Council through the Brain Injury Association of America and is also involved with the Minnesota Brain Injury Alliance's "citizen advocates." She travels the country with her Yorkie, Pixxie, to help raise awareness about this silent and invisible injury that affects 2.8 Million Americans each year.
