

Arrival and Dismissal Procedures

Children are asked to be in their seats for the start of class and not just arriving.

Sunday 9:00-10:15am

Wednesday 4:00-5:15pm

6:15-7:30pm

Sunday drop off and pick up lane in the West Parking Lot is designed for just that....drop off and pick up. Please circle out of the lot and back in if you do not see your child at dismissal time. You are asked not to stop and wait in the driving lane.

Church traffic and other families picking up their child(ren) are then delayed.

Wednesday drop off and pick up lane is on Waiola Avenue.

Please do not park on Waiola Avenue.

At pick up time you are asked not to leave your car but have your child come to you if you are in the drop off/pick up lane and leave as soon as your family is securely seat belted.

Make sure your child exits/enters from the passenger side.

Parents dropping their child(ren) off in the East Parking Lot are asked to make the entrance lane to the lot a drop off and pick up lane.

At pick up time you are asked not to leave your car but have your child come to you if you are in the drop off/pick up lane and leave as soon as your family is securely seat belted.

Capital Campaign Construction is confining dismissal to two doors, therefore:

GRADES 5, 6, 7, AND 8 WILL DISMISS 5 MINUTES BEFORE THE OTHER GRADES ON SUNDAY MORNINGS AND WEDNESDAY AFTERNOONS ONLY. THIS WILL HOPEFULLY HELP WITH DISMISSAL CONGESTION.

SUNDAY STUDENTS

Kdg thru Grade 6.....parking lot doors

Grade 7 and Grade 8.....Waiola doors

WEDNESDAY AFTERNOON STUDENTS

K thru Grade 6.....parking lot doors

Grade 7 and Grade 8.....Waiola doors

WEDNESDAY EVENING STUDENTS

Parents are asked to stand in behind and between the sets of cones at pick up time.

This will help with the children dismissing.
