

Milk Order Form

Preschool and Kindergarten Students

Dear Parents,

Please use this form to order milk for the 2017-2018 school year. Our milk supplier delivers twice a week to both campuses. This helps assure the children are served very fresh milk.

Children in preschool and kindergarten are offered only 1% white milk for snack time. Students receive a half carton of milk at snack time each day and all-day kindergarteners receive a full carton of milk at lunch. For both servings of milk, there are separate charges.

The costs listed below are per child for the school year. Please return this form to school along with your separate check made payable to: SFX SCHOOL.

If you elect to not order milk for one or more of your children, please indicate below and return this form.
